

OKW-18350 WEAPONS LIGHTS - MODLITE SYSTEMS OKW-18350 COMPLETE LIGHT

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

Light Up Your Target-Weapon Light with Extreme Throw

This Modlite light package contains an OKW light head, 18350 body and comes in 3 different packages, one that includes a tail cap, one without a tail cap, and one without either a tail cap or charger for those that don't need those items. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. While lumen output is only 680 lumens the throw is about 400% greater than the M600DF. This light head is best suited for situations where extreme throw is needed. Battery: Lithium Lumens: 680 Style: Weaponlight 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra-clear BORO FLOAT® lens allows 98-99% light transmittance. The Modlite OKW 18350 has approximately 680 out the front lumens and the candela is approximately 69,000. It is an excellent overall light head good for indoor or outdoor use. Runtime is about 35 minutes with the supplied 18350 cells. Hand assembled and tested in the USA. Lifetime guarantee.

OKW18350 Weapons Lights Modlite Systems

Safety Instruction Guide

Introduction

Thank you for choosing the OKW18350 Weapons Lights Modlite Systems light package. This guide provides essential safety instructions to ensure the safe and effective use of your new lighting system. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always inspect the light for any visible damage before use.
- Do not use the light in wet or damp conditions unless it is specifically rated for such use.
- Keep the light out of reach of children and pets to prevent accidents.
- If the light is damaged or malfunctioning, discontinue use immediately and seek assistance.
- Be aware of your surroundings while using the light to avoid accidents.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Use only the recommended KeepPower 1200mAh 18350 battery.
 - Do not attempt to charge damaged batteries.
 - Do not expose batteries to extreme temperatures or direct sunlight.
- **Light Head Usage:**
 - The light head has a lumen output of 680 lumens; do not shine directly into anyone's eyes.
 - Avoid using the light in enclosed spaces without proper ventilation to prevent overheating.
- **Installation Precautions:**
 - Ensure that the light head is securely attached to the body before use.
 - Follow the installation instructions carefully to avoid improper assembly.

Instructions for Installation and Usage

1. Installation:

- Remove the light head from the packaging.
- Attach the light head to the 18350 body by aligning the threads and twisting until secure.
- Ensure the tail cap (if included) is securely fastened to the end of the body.

2. Battery Installation:

- Insert the KeepPower 1200mAh 18350 battery into the body with the positive (+) end facing the light head.
- Replace the tail cap to secure the battery in place.

3. Usage:

- To turn the light on, press the switch located on the tail cap.

- To adjust brightness or mode (if applicable), follow the manufacturer's specific instructions.

4. Charging:

- If using the XTAR MC2 charger, follow the instructions provided with the charger for safe charging practices.
- Do not leave the battery unattended while charging.

Disposal Instructions

- Dispose of the light and battery in accordance with local regulations.
- Do not throw batteries in the household trash.
- Take used batteries to a designated recycling center or collection point.

Contact Information for Further Support

For any safety inquiries or concerns regarding the OKW18350 Weapons Lights Modlite Systems, please refer to the manufacturer's contact information provided in the product packaging or user manual.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe operation of your OKW18350 Weapons Lights Modlite Systems light package. Stay safe and enjoy your new lighting system!
