

# OKW-18350 WEAPONS LIGHTS - MODLITE SYSTEMS OKW-18350 COMPLETE LIGHT, NO TAILCAP

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

## Light Up Your Target-Weapon Light with Extreme Throw

This Modlite light package contains an OKW light head, 18350 body and comes in 3 different packages, one that includes a tail cap, one without a tail cap, and one without either a tail cap or charger for those that don't need those items. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. While lumen output is only 680 lumens the throw is about 400% greater than the M600DF. This light head is best suited for situations where extreme throw is needed. Battery: Lithium Lumens: 680 Style: Weaponlight 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra-clear BOROFLOAT® lens allows 98-99% light transmittance. The Modlite OKW 18350 has approximately 680 out the front lumens and the candela is approximately 69,000. It is an excellent overall light head good for indoor or outdoor use. Runtime is about 35 minutes with the supplied 18350 cells. Hand assembled and tested in the USA. Lifetime guarantee.

# Safety Instruction Guide for OKW18350 Weapons Lights Modlite Systems

## Introduction

Thank you for choosing the OKW18350 Weapons Lights Modlite Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new lighting system. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a weapon light.
- Always handle the light with care to avoid dropping or damaging it.
- Keep the light away from children and vulnerable individuals.
- Inspect the light regularly for any signs of damage or wear.
- Do not use the light if it appears to be damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of weapon lights.

## Specific Safety Precautions for Use

- Do not shine the light directly into anyone's eyes, as this may cause temporary blindness or discomfort.
- Avoid using the light in wet or damp conditions unless it is specifically rated for such use.
- Ensure that the battery is installed correctly, following the manufacturer's instructions.
- Do not attempt to disassemble or modify the light or its components.
- Store the light in a cool, dry place when not in use.
- If the light becomes excessively hot during use, turn it off and allow it to cool down before handling.

## Instructions for Installation and Usage

### 1. Battery Installation:

- Ensure the light is turned off before installing or replacing the battery.
- Unscrew the light head or tail cap as instructed in the product manual.
- Insert the KeepPower 1200mAh 18350 battery into the body, ensuring the positive (+) and negative (-) terminals are correctly aligned.
- Reattach the light head or tail cap securely.

### 2. Turning On and Off:

- To turn the light on, press the activation switch located on the tail cap.
- To turn the light off, press the activation switch again.

### 3. Adjusting Brightness:

- The OKW18350 provides a maximum output of 680 lumens. Use the activation switch to toggle through brightness settings if applicable.

### 4. Charging Instructions:

- If using the XTAR MC2 charger, follow the manufacturer's instructions for charging the battery.
- Ensure the charger is plugged into a suitable power source before inserting the battery.

## Disposal Instructions

- Dispose of the product and its components in accordance with local regulations.
- Do not dispose of batteries in household waste. Instead, take them to a designated battery recycling facility.
- Follow any specific disposal instructions provided by the manufacturer.

## Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided in the product packaging or manual.

By following these guidelines, you can ensure the safe use of your OKW18350 Weapons Lights Modlite Systems. Always prioritize safety and adhere to the instructions provided to maximize the performance and longevity of your product.
