# OKW18650 Weapons Lights Modlite Systems Safety Instruction Guide

## Introduction

Thank you for purchasing the OKW18650 Weapons Lights Modlite Systems light package. This guide provides essential safety instructions to ensure the safe and effective use of your new weapon light. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a weapon light.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the light for any signs of damage or wear before use.
- Do not modify or attempt to repair the product yourself. Contact a professional for any repairs.
- Always use the recommended battery type (18650 Lithium) to avoid risks of overheating or explosion.
- Avoid exposing the light to extreme temperatures or moisture to prevent damage.
- Follow all local laws and regulations regarding the use of weapon lights.

## Specific Safety Precautions for Use

- Use the weapon light in accordance with your firearm's operating manual.
- Do not shine the light directly into anyone's eyes, as this can cause temporary blindness or discomfort.
- Ensure that the light is securely attached to the firearm before use.
- Be aware of your surroundings and ensure that the light is used responsibly and safely.
- Do not leave the weapon light unattended when connected to the charger.
- Do not use the light while charging; unplug the charger before use.

## Instructions for Installation and Usage

### Installation

#### 1. Attach the Light Head:

- Align the OKW light head with the 18650 body.
- Turn the light head clockwise until it is securely fastened.

#### 2. Insert the Battery:

- Open the battery compartment of the 18650 body.
- Insert the KeepPower 3500mAh 18650 battery, ensuring the positive (+) and negative (-) terminals are correctly aligned.
- Close the battery compartment securely.

#### 3. Install the Tail Cap:

- If applicable, attach the tail cap by turning it clockwise until it is secure.

### Usage

#### 1. Power On/Off:

- Press the tail cap switch to turn the light on or off.

- For models without a tail cap, refer to the specific power control instructions provided with your model.

## 2. **Adjust Brightness:**

- If your model has brightness settings, adjust them according to your needs.

## 3. **Runtime:**

- Expect approximately 75 minutes of runtime with the supplied 18650 cells.

## 4. **Charging:**

- Use the XTAR MC2 charger to recharge the battery.
- Follow the charger's instructions for safe operation.

## **Disposal Instructions**

- Dispose of the product and its components in accordance with local regulations.
- Do not dispose of lithium batteries in household waste. Instead, take them to a designated recycling facility.
- Check for any specific disposal instructions that may apply to your region.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the product packaging or the manufacturer's website for the EUbased contact information.

By following these safety instructions, you can ensure the safe use of your OKW18650 Weapons Lights Modlite Systems light package. Thank you for your attention to these important guidelines.
