A Match-Ready Barreled Action Built Just for Brownells

Machined and finished by Area 419's talented engineering and manufacturing team, this line of Defiance Tenacity Barreled Actions are available only through Brownells! Starting with Defiance Machine's proven Tenacity rifle action, Area 419 finishes these actions with all of the custom touches that today's precision shooters want. Each Area 419 Tenacity Barreled Action features a receiver that's nitride-treated for hardness, low-friction and durability, and the receivers are matched with cut-rifled Bartlein 5R barrels. The barrels are guaranteed to provide accuracy of 1/2 MOA or less in the hands of a skilled shooter using quality ammunition. All of the final machining and fitting is done by Area 419's team, and the whole process starts with an axial indication of the bore, which is measured to the ten-thousandth of an inch. Chambers are cut to SAAMI minimum tolerances, ensuring that shooters have a tight, match chamber to maximize the gun's potential. Barrels are available in 6.5 Creedmoor, 6mm Creedmoor, 6.5 PRC, .300 Win. Mag. and .223 Rem. Barrels are available in 24-inch lengths and feature twist rates optimized for each caliber.

DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 CREEDMOOR 24" M24 BARRELED ACTION

Safety Instruction Guide

Introduction

Thank you for choosing the DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 CREEDMOOR 24" M24 BARRELED ACTION. This product is designed for precision shooting and is crafted with highquality materials to ensure reliability and performance. To ensure safe use and compliance with European safety regulations, please read this safety instruction guide thoroughly.

General Safety Guidelines

- Always handle firearms with care and respect, treating every firearm as if it is loaded.
- Ensure you are familiar with local laws and regulations regarding firearms and ammunition.
- Inspect the barreled action before each use for any signs of damage or wear.
- Use only compatible ammunition as specified by the manufacturer.
- Keep the product out of reach of children and unauthorized users.
- Store the barreled action in a secure location when not in use.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the firearm is pointed in a safe direction at all times.
- Do not modify or alter the barreled action in any way that could affect its performance or safety.
- Only use the barreled action in a controlled environment, such as a shooting range.
- Be aware of your surroundings and ensure there are no people or animals in the line of fire.
- Follow all instructions for loading, unloading, and firing the firearm.
- Do not attempt to disassemble or service the barreled action unless you are a qualified gunsmith.
- Always keep the action open when not in use to prevent accidental discharge.

Instructions for Installation and Usage

• Installation:

1. Ensure the firearm is unloaded and the action is open.
2. Follow the manufacturer's instructions for mounting the barreled action to the rifle chassis or stock.
3. Secure all screws and fasteners according to the specified torque settings provided by the manufacturer.
4. Doublecheck the installation for stability and alignment before proceeding.

• Usage:

1. Load the firearm with compatible ammunition according to the manufacturer's specifications.
2. Ensure the safety is engaged until you are ready to fire.
3. Assume a proper shooting stance and grip the firearm securely.
4. Aim at your target and disengage the safety only when ready to fire.
5. After firing, keep the firearm pointed downrange and open the action to inspect the chamber.

Disposal Instructions

- Dispose of the barreled action and any associated components in accordance with local laws and regulations.
- Do not dispose of firearms or ammunition in regular waste. Contact local authorities for guidance on safe disposal methods.
- Ensure that any disposed items are rendered inoperable to prevent unauthorized use.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 CREEDMOOR 24" M24 BARRELED ACTION, please refer to the contact information provided in the product documentation or visit the manufacturer's website for assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 CREEDMOOR 24" M24 BARRELED ACTION. Thank you for your attention to safety and responsible firearm use.
