A Match-Ready Barreled Action Built Just for Brownells

Machined and finished by Area 419's talented engineering and manufacturing team, this line of Defiance Tenacity Barreled Actions are available only through Brownells! Starting with Defiance Machine's proven Tenacity rifle action, Area 419 finishes these actions with all of the custom touches that today's precision shooters want. Each Area 419 Tenacity Barreled Action features a receiver that's nitride-treated for hardness, low-friction and durability, and the receivers are matched with cut-rifled Bartlein 5R barrels. The barrels are guaranteed to provide accuracy of 1/2 MOA or less in the hands of a skilled shooter using quality ammunition. All of the final machining and fitting is done by Area 419's team, and the whole process starts with an axial indication of the bore, which is measured to the ten-thousandth of an inch. Chambers are cut to SAAMI minimum tolerances, ensuring that shooters have a tight, match chamber to maximize the gun's potential. Barrels are available in 6.5 Creedmoor, 6mm Creedmoor, 6.5 PRC, .300 Win. Mag. and .223 Rem. Barrels are available in 24-inch lengths and feature twist rates optimized for each caliber.

Safety Instruction Guide for DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6 CREEDMOOR 24" M24 BARRELED ACTION, BLACK

Introduction

Thank you for choosing the DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6 CREEDMOOR 24" M24 BARRELED ACTION, BLACK. This product is designed for precision shooting and is manufactured to the highest standards of quality and safety. Please read this safety instruction guide carefully to ensure safe and effective use of your barreled action.

General Safety Guidelines

- Ensure safe use of the barreled action by following all safety instructions.
- Always treat every firearm as if it is loaded.
- Keep the barreled action out of reach of children and unauthorized users.
- Store the barreled action in a secure location when not in use.
- Regularly inspect the barreled action for any signs of wear or damage before use.
- Report any unsafe products or accidents to local authorities immediately.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the barreled action.
- Ensure the area is clear of people and obstructions before firing.
- Use only ammunition that is compatible with the 6mm Creedmoor cartridge.
- Avoid using damaged or corroded ammunition.
- Do not modify the barreled action in any way that may affect its performance or safety.
- Follow all local laws and regulations regarding the use and storage of firearms.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the barreled action from its packaging. Inspect for any visible damage.
2. **Mounting:**
 - Ensure you have a compatible rifle chassis or stock.
 - Align the barreled action with the mounting points on the chassis or stock.
 - Securely fasten the barreled action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
3. **Check Alignment:** Confirm that the barreled action is properly aligned and securely mounted.

Usage

1. **Loading:**
 - Insert the appropriate magazine filled with 6mm Creedmoor ammunition into the action.
 - Ensure the firearm is pointed in a safe direction.
2. **Firing:**
 - Engage the safety mechanism before loading.
 - Once ready to fire, disengage the safety and aim at the target.
 - Pull the trigger smoothly to fire.
3. **PostFiring:**

- Always engage the safety mechanism after firing.
- Remove the magazine and clear the chamber of any remaining ammunition.
- Store the barreled action securely.

Disposal Instructions

- Dispose of the barreled action in accordance with local regulations regarding firearms and hazardous materials.
- If the barreled action is damaged beyond repair, contact local authorities for safe disposal options.
- Do not dispose of the barreled action in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6 CREEDMOOR 24" M24 BARRELED ACTION, BLACK, please refer to the manufacturer's contact details provided in the product packaging or documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6 CREEDMOOR 24" M24 BARRELED ACTION, BLACK. Thank you for prioritizing safety and responsible usage.
