## A Match-Ready Barreled Action Built Just for Brownells

Machined and finished by Area 419's talented engineering and manufacturing team, this line of Defiance Tenacity Barreled Actions are available only through Brownells! Starting with Defiance Machine's proven Tenacity rifle action, Area 419 finishes these actions with all of the custom touches that today's precision shooters want. Each Area 419 Tenacity Barreled Action features a receiver that's nitride-treated for hardness, low-friction and durability, and the receivers are matched with cut-rifled Bartlein 5R barrels. The barrels are guaranteed to provide accuracy of 1/2 MOA or less in the hands of a skilled shooter using quality ammunition. All of the final machining and fitting is done by Area 419's team, and the whole process starts with an axial indication of the bore, which is measured to the ten-thousandth of an inch. Chambers are cut to SAAMI minimum tolerances, ensuring that shooters have a tight, match chamber to maximize the gun's potential. Barrels are available in 6.5 Creedmoor, 6mm Creedmoor, 6.5 PRC, .300 Win. Mag. and .223 Rem. Barrels are available in 24-inch lengths and feature twist rates optimized for each caliber.

# **Safety Instruction Guide for DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 PRC 24" MARKSMAN BARRELED ACTION, BLACK**

## **Introduction**

Thank you for choosing the DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 PRC 24" MARKSMAN BARRELED ACTION. This product has been designed and manufactured with safety as a priority. Please read this safety instruction guide carefully to ensure the safe use and maintenance of your barreled action.

## **General Safety Guidelines**

- Always treat the rifle as if it is loaded.
- Store the barreled action in a secure location, away from unauthorized users, especially children.
- Use appropriate safety gear, including eye and ear protection, when handling or firing the rifle.
- Ensure you are familiar with local laws and regulations regarding the use of firearms.
- Regularly inspect the barreled action for any signs of wear or damage before use.
- Follow all manufacturer instructions and guidelines for safety and maintenance.

## **Specific Safety Precautions for Use**

- Ensure that the rifle is pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Only use ammunition that is specified for your barreled action (6.5 PRC).
- Be aware of your surroundings and ensure a clear shooting area.
- Avoid using the rifle under the influence of drugs or alcohol.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the workspace is clean and free from distractions.
- Carefully remove the barreled action from the packaging.
- Check for any visible damage or missing parts.
- Follow the manufacturer's guidelines for attaching the barreled action to the stock or chassis, ensuring all screws and fittings are secure.

### **2. Usage:**

- Load the ammunition into the rifle according to the manufacturer's instructions.
- Adjust the scope or sights as needed for your shooting requirements.
- Before firing, ensure that the safety is engaged until you are ready to shoot.
- When ready, disengage the safety and aim at your target.
- After firing, engage the safety before handling or making any adjustments to the rifle.

## **Disposal Instructions**

- Dispose of the barreled action in accordance with local regulations and guidelines.
- If the product is no longer usable, consider contacting a qualified firearms dealer for safe disposal options.
- Ensure that all ammunition is disposed of safely and in compliance with local laws.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of your DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 PRC 24" MARKSMAN BARRELED ACTION, please contact the manufacturer or authorized dealer for assistance.

**Note:** This guide is intended to provide essential safety information to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Always prioritize safety and responsible use of firearms.
