A .410-Bore Shotgun With All the Features of a Classic Lever-Action Rifle

What looks like a lever-action rifle, feels like a lever-action rifle and sounds like a lever-action rifle? Well, in this case, it's actually a .410-Bore shotgun! Henry's new Side Gate lineup of guns includes a purpose-built shotgun that handles just like your favorite lever gun. The Henry Side Gate Lever Action Shotgun still features the same removable tube magazine found in all of the company's guns. However, consumers will see a spring-loaded gate on the side of the receiver that allows for easy loading like other classic side-gate lever guns. Both loading methods work just fine, so you can choose whichever loading method works best for your situation. Barrel length: 19.8 inches Overall length: 38.1 inches Weight: 7.09 pounds Magazine capacity: 5 rounds Other features found on the Henry Side Gate Lever Action Shotgun include a hardened brass receiver that has the same yield and tensile strength as a steel receiver. The barrel band and buttplate are also made from brass, and the gun is completed with beautiful, American walnut furniture complete with deep checkering. The gun features a 20-inch blued barrel, which is topped by a buckhorn rear sight and an ivory-bead front sight.

SIDEGATE 410 LEVER BRASS Safety Instruction Guide

Introduction

Thank you for choosing the SIDEGATE 410 LEVER BRASS shotgun. This guide provides essential safety instructions and guidelines for the safe use and maintenance of your shotgun, in compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before use to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat the shotgun as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure the shotgun is unloaded when not in use or when handing it to another person.
- Store the shotgun in a secure location, out of reach of children and unauthorized users.
- Use only the correct ammunition specified for this shotgun.
- Wear appropriate eye and ear protection while using the shotgun.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not consume alcohol or drugs before or while using the shotgun.

Specific Safety Precautions for Use

- **Loading and Unloading:**
 - Always load and unload the shotgun in a safe area, preferably with a solid backstop.
 - Use the springloaded gate on the side of the receiver for easy loading.
 - Ensure the shotgun is pointed in a safe direction while loading or unloading.
- **Shooting:**
 - Always be sure of your target and what lies beyond it before shooting.
 - Do not shoot at hard surfaces or water, as bullets may ricochet.
- **Maintenance:**
 - Regularly clean and inspect the shotgun to ensure it remains in good working condition.
 - If the shotgun fails to function properly, do not attempt to fix it yourself. Seek professional assistance.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that the shotgun is in a safe condition (unloaded) before any installation or adjustments.
 - Follow the manufacturer's instructions for any accessories or modifications.
- **Usage:**
 - To load the shotgun, open the springloaded gate on the side of the receiver.
 - Insert the ammunition into the magazine tube until full (5 rounds).
 - Close the gate securely before attempting to fire.
 - To fire, ensure the safety is disengaged and pull the trigger while aiming at the target.
 - After firing, follow the same unloading procedure to remove ammunition safely.

Disposal Instructions

- When disposing of the shotgun, ensure it is rendered permanently inoperable.
- Follow local regulations for the disposal of firearms and ammunition.
- Consider contacting a licensed firearms dealer or local authorities for safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SIDEGATE 410 LEVER BRASS shotgun, please refer to your local authorized dealer or the manufacturer's website for assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your SIDEGATE 410 LEVER BRASS shotgun. Always prioritize safety and responsibility when handling firearms.
