

"SHADOW" MOUNT V2.0 FOR RUGER™ 10/22™ - SHADOW MOUNT V2.0 FOR RUGER® 10/22®

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

At a glance: Mounts sight to the receiver, reducing the overall height
Reversible for custom optic placement in both forward and rear mounting positions
Unique sight mount design allows for use with many different optics
Mount a variety of popular optics and sights to your Ruger® 10/22® with the completely redesigned "Shadow" Mount V2.0! The updated "Shadow" Mount design mounts many optics straight to the 10/22® receiver - no need for a picatinny rail and clamp. Whether you're using a Vortex®, Trijicon®, Burris®, Holosun or another optic, the "Shadow" Mount V2.0 unique screw pattern will mount your sight to your 10/22® rifle. This 10/22® sight mount is also reversible with most optics, allowing you to mount your sight in a forward or rear position. This mount comes with all necessary hardware - including screws, dowel pins, and gaskets. Please use the compatibility chart below to learn more about use with a variety of optics as well as the hardware needed to mount each sight.

SHADOW Mount V2.0 for Ruger™ 10/22™ Safety Instruction Guide

Introduction

Thank you for choosing the SHADOW Mount V2.0 for your Ruger® 10/22®. This product is designed to securely mount a variety of optics to your rifle, enhancing your shooting experience. However, safety is paramount. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the SHADOW Mount V2.0.

General Safety Guidelines

- Ensure that the SHADOW Mount V2.0 is installed correctly before use to avoid accidents.
- Always handle your firearm with care, treating it as if it is loaded, even if you believe it is not.
- Keep the mount and optics out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage. Replace any damaged parts immediately.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always read and follow the manufacturer's instructions for both the SHADOW Mount V2.0 and the optics you intend to use.
- Ensure that the mount is compatible with your specific optic model before installation.
- Do not exceed the recommended weight limit for optics mounted on the SHADOW Mount V2.0.
- Use only the hardware provided with the mount for installation. Do not substitute with other materials.
- Ensure that all screws and fasteners are tightened securely before use.
- Avoid using the mount in extreme weather conditions that may affect the integrity of the mount or optics.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and hardware included in the package.
- Ensure that your Ruger® 10/22® is unloaded and safe to handle.

2. Mounting the SHADOW Mount V2.0:

- Locate the receiver on your Ruger® 10/22®.
- Align the SHADOW Mount V2.0 with the mounting holes on the receiver.
- Use the provided screws to attach the mount to the receiver. Ensure that all screws are tightened securely.

3. Installing Optics:

- Select the optic you wish to mount.
- Align the optic with the unique screw pattern on the SHADOW Mount V2.0.
- Secure the optic using the appropriate screws, ensuring they are tightened firmly.

4. Adjusting the Mount:

- If desired, the mount can be reversed for different optic placements (forward or rear).
- To reverse the mount, carefully unscrew it from the receiver, flip it to the desired position, and

reattach as per the previous steps.

5. Final Inspection:

- Doublecheck all screws and fasteners to ensure they are secure.
- Inspect the mount and optics for any signs of misalignment or damage.

Disposal Instructions

- Dispose of the SHADOW Mount V2.0 and any associated hardware in accordance with local regulations.
- Do not dispose of the mount or hardware in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries or support regarding the SHADOW Mount V2.0, please refer to the manufacturer's contact details provided in the product packaging.

Thank you for prioritizing safety while using the SHADOW Mount V2.0. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
