

AMERICAN COMBAT 45ACP - AMERICAN COMBAT FULL-SIZE 45 ACP

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

The ACP is built with our highest quality parts in the same time-tested way as our other custom 1911 handguns, but with reduced customer selected options that streamlines our production and enables a lower price to the end user. Available in .45 ACP and 9mm Luger calibers, the ACP features our latest generation forged slide, frame and barrels that are hand fitted by our skilled pistolsmiths with our 100% machined Bullet Proof parts for a lifetime of high performance. The ACP retains the best-in-class Wilson Combat 100% Customer Satisfaction Guarantee for the lifetime of the product. The ACP also introduces the new Eagle Claw grip and slide surface to set it apart from the rest of the pack. The Eagle Claw pattern offers a non-abrasive, tactile grip under adverse conditions but is still easy on your hands and clothing during extended range trips and every day carry. The unique look and feel of the Eagle Claw is like nothing else we have produced. Available in Full-Size 5", 4.25" Commander or 4" Compact sizes in Armor Tuff® finished carbon steel with limited customer selected options available, the ACP brings Wilson Combat quality to more American shooters than ever before.

Safety Instruction Guide for AMERICAN COMBAT 45ACP

Introduction

Thank you for choosing the AMERICAN COMBAT 45ACP. This safety instruction guide is designed to provide you with essential information regarding the safe use, handling, and disposal of your firearm. Please read this guide carefully to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure that the area is safe before firing.
- Store your firearm in a secure location, away from children and unauthorized users.
- Use only the recommended ammunition for your firearm.
- Regularly inspect your firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- Ensure that you are in a designated shooting area or range before discharging your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Do not consume alcohol or drugs before or while using your firearm.
- If your firearm fails to fire, keep it pointed in a safe direction for at least 30 seconds before attempting to clear the malfunction.
- Be aware of the recoil and muzzle rise when firing to maintain control of the firearm.
- Do not modify your firearm or use aftermarket parts that are not approved by the manufacturer.

Instructions for Installation and Usage

• Installation:

- Ensure the firearm is unloaded before any installation or maintenance.
- Follow the manufacturer's instructions for any accessories or modifications.
- If you are unsure about installation, seek assistance from a qualified gunsmith.

• Usage:

- Grip the firearm firmly, ensuring your fingers are positioned correctly.
- Align your sights with the target before squeezing the trigger.
- Maintain a stable shooting stance to improve accuracy and control.
- After shooting, ensure that the firearm is unloaded and cleaned according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of your firearm in accordance with local laws and regulations.
- If you need to dispose of ammunition, contact your local law enforcement agency or a licensed firearms dealer for guidance.
- Do not discard firearms or ammunition in regular waste or recycling bins.

Contact Information for Further Support

For any safety inquiries or concerns, please reach out to your local firearms dealer or relevant authorities. It is essential to stay informed about any recalls or safety notices related to your firearm.

Conclusion

Your safety is our top priority. By following these guidelines, you can ensure a safe and enjoyable experience with your AMERICAN COMBAT 45ACP. Always stay informed and vigilant to maintain a high standard of safety. Thank you for your attention to these important safety instructions.
