# PF320PTEX Grip Module Safety Instruction Guide

## Introduction

Thank you for choosing the PF320PTEX™ Grip Module. This product is designed for compatibility with SIG SAUER® components for the P320™ platform. To ensure safe and effective use of your PF320PTEX™ Grip Module, please read and follow the safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the PF320PTEX™ Grip Module by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall occurs, follow the instructions for returning or exchanging the product.
- **Online Shopping Safety:** When purchasing online, ensure that the retailer complies with safety requirements. Verify the authenticity of the product and the reputation of the seller.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the appropriate EU-based contact for assistance.
- **Rapid Alerts:** Familiarize yourself with the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the PF320PTEX™ Grip Module is compatible with your specific model of SIG SAUER® components.
- **Inspection:** Before use, inspect the grip module for any visible damage or defects. Do not use if damaged.
- **Proper Handling:** Handle the grip module with care. Avoid dropping or subjecting it to excessive force.
- **Safe Storage:** Store the grip module in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Modifications:** Do not modify the grip module in any way. Alterations can compromise safety and performance.
- **Training:** Ensure that you are properly trained in the use of firearms and accessories before using the PF320PTEX™ Grip Module.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Follow the manufacturer's instructions for disassembling your SIG SAUER® firearm.
- Remove the existing grip module and replace it with the PF320PTEX™ Grip Module.
- Securely attach the grip module, ensuring it fits snugly and is properly aligned.
- Reassemble the firearm according to the manufacturer's guidelines.

### 2. Usage:

- Always treat the firearm as if it is loaded.
- Follow all safety protocols and guidelines for handling firearms.
- Maintain a firm grip on the firearm while in use.
- Be aware of your surroundings and ensure a safe environment when using the firearm.

## Disposal Instructions

- When disposing of the PF320PTEX™ Grip Module, follow local regulations regarding the disposal of polymer materials.
- If the product is damaged or no longer usable, consider recycling it if possible. Check with local recycling programs for guidance.
- Do not dispose of the grip module in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the PF320PTEX™ Grip Module, please refer to the manufacturer's website or contact the appropriate support channels. Ensure you have the necessary information for a prompt response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your PF320PTEX™ Grip Module. Thank you for your attention to these important guidelines.
