PF320PTEX Grip Module Safety Instruction Guide

Introduction

Thank you for choosing the PF320PTEX™ Grip Module. This product is designed for use with SIG SAUER® components for P320™. To ensure safe and effective use of the PF320PTEX™ Grip Module, please read this safety instruction guide carefully. This guide is in compliance with the EU General Product Safety Regulation (GPSR) and aims to provide you with essential safety information and usage guidelines.

General Safety Guidelines

- **Product Safety:** The PF320PTEX™ Grip Module has been designed to meet safety standards for nonfood products. Please ensure safe handling and usage.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Free remedies will be provided for dangerous products.
- **Online Shopping:** If purchased online, you have the same safety protections as when purchasing in physical stores. Ensure the online platform complies with safety requirements.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For safety inquiries, an EUbased contact point is available. Please refer to the product packaging or documentation for details.
- **Rapid Alerts:** Stay informed about unsafe products through the Safety Gate system, which provides timely updates.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the PF320PTEX™ Grip Module is compatible with your P320™ components before use.
- **Inspection:** Regularly inspect the grip module for any signs of damage or wear. Do not use if any damage is detected.
- **Installation:** Follow the installation instructions carefully to avoid any improper fitting that may lead to safety hazards.
- **Handling:** Use the grip module only as intended. Avoid excessive force during installation and handling.
- **Storage:** Store the grip module in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Installation:

- Ensure all components are clean and free from debris.
- Align the PF320PTEX™ Grip Module with the P320™ frame.
- Gently press the grip module into place until it is securely fitted.
- Verify that the module is properly seated and does not move when gently tugged.

2. Usage:

- Before use, ensure the firearm is unloaded and pointed in a safe direction.
- Familiarize yourself with the grip module's features, including the PTEX™ Grip Texture and ambidextrous magazine release.
- Practice safe handling and shooting techniques at all times.
- If you experience any issues during use, discontinue use immediately and consult a qualified professional.

Disposal Instructions

- Dispose of the PF320PTEx™ Grip Module in accordance with local regulations for plastic products.
- Do not dispose of in regular household waste. Check for recycling options in your area.
- Ensure that the product is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any questions or concerns regarding the PF320PTEx™ Grip Module, please refer to the contact information provided with your product packaging or documentation. Your safety is our priority, and we are here to assist you.

Thank you for your attention to these safety instructions. Enjoy using your PF320PTEx™ Grip Module responsibly and safely.
