

# PLHV2-18350 WEAPON LIGHTS - MODLITE SYSTEMS PLHV2-18350 COMPLETE LIGHT NO TAILCAP

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

This Modlite PLHV2 18350 weapon light package contains a PLHV2-light head, 18350 body and the option of a tail cap or without a tail cap. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. Item 100-042-502 does not include a tail cap or charger to offer a savings for those who don't need those components. This light is a large step forward from the PLHV1 light. Lumen output is about the same, but throw is greatly improved. It is the best balance of flood and throw available. If you are looking for the best overall output and throw this is the package you want. Features Cool White 5700K emitter tint Made and assembled in the USA Drivers are fully potted and tested to withstand select fire SCAR 17 recoil. Lifetime guarantee Approximately 1350 out the front lumens and candela is approximately 54,000. It is an excellent overall light head good for indoor or outdoor use. 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra clear BOROFLOAT® lens allows 98-99% light transmittance. Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. We recommend the KeepPower 18350 high drain cells which can be found separately. Runtime is about 35 minutes with the supplied 18350 cells.

## Attributes

- Name: [MODLITE SYSTEMS PLHV2-18350 COMPLETE LIGHT NO TAILCAP](#)

# Safety Instruction Guide for PLHV218350 Weapon Light

## Introduction

Thank you for choosing the PLHV218350 Weapon Light by Modlite Systems. This guide provides important safety instructions to ensure the safe and effective use of your weapon light. Please read all instructions carefully before use.

## General Safety Guidelines

- Always use the product as intended to avoid hazards.
- Ensure that the weapon light is compatible with your firearm.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the weapon light for any signs of damage or wear.
- Do not use the light if it is damaged or if components are missing.
- Follow all local laws and regulations regarding the use of weapon lights.

## Specific Safety Precautions for Use

- **Battery Safety:**
  - Only use the recommended KeepPower 18350 high drain cells.
  - Do not use Lithium CR123 cells as they may overheat and cause explosions or fires.
- **Heat Management:**
  - Allow the light to cool down after prolonged use to prevent overheating.
- **Recoil Management:**
  - The drivers are tested to withstand select fire SCAR 17 recoil; however, always check for secure attachment before use.
- **Environmental Considerations:**
  - Do not expose the light to extreme temperatures or moisture.
- **Usage in Low Visibility:**
  - Ensure that the area is safe and clear of obstacles before activating the light.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the light head from the body.
- Insert the KeepPower 18350 battery into the body, ensuring correct polarity.
- Reattach the light head securely.
- If using a tail cap, attach it to the rear of the light body. If using without a tail cap, ensure the light is still securely assembled.

### 2. Usage:

- To activate the light, press the designated switch.
- Adjust the beam as necessary for your environment.
- For optimal performance, ensure the lens is clean and free from obstructions.

### 3. After Use:

- Store the weapon light in a cool, dry place.
- Remove the battery if the light will not be used for an extended period.

## **Disposal Instructions**

- Dispose of the weapon light and its components in accordance with local regulations.
- Do not dispose of batteries in regular household waste; follow local guidelines for battery disposal.
- Consider recycling options for electronic waste to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the PLHV218350 Weapon Light, please reach out to the designated EU contact point for support.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your new weapon light responsibly.
