

STEEL 30-30 SIDE GATE LARGE LOOP - STEEL LEVER .30-30 SIDE GATE LARGE LOOP

[Firearms](#) > [Rifles](#) > [Lever Action](#)

From the Northwoods to the Texas hill country and in every deer camp and lodge in between, the .30-30 rifle remains the perennial choice of whitetail hunters. More than just another deer cartridge, the venerable .30-30 has been the king of deer calibers since the first rifle chambered in this ageless round was produced in 1894. In fact, it's a safe bet that in the past century, no other round has put more antlers on the wall and venison in the freezer than the .30-30. This latest addition to our world-famous line of lever-action repeaters was built with the traditional deer hunter in mind. Like its predecessor, it's both lightweight and maneuverable - the perfect combination for hunting in dense timber and heavy brush. Like every Henry rifle, it's 100% American made, with its checkered American walnut stock and forearm, it is a masterpiece of finely crafted gunsmithing. The Henry H009G has a steel receiver and a round blued steel barrel that is machined with state of the art multiple groove rifling. The best-of-both-worlds design with a side loading gate and removable tube magazine allow for quick top-offs and safe, fast unloading. If you're a deer hunter who wants to carry a rifle like dad and grandpa did back in the "good ol' days," treat yourself to a Henry .30-30 and relive the golden era of deer hunting while starting a few new traditions of your own.

Attributes

- Name: [STEEL LEVER .30-30 SIDE GATE LARGE LOOP](#)
- Manufacturer: [HENRY REPEATING ARMS](#)

Safety Instruction Guide for the STEEL 3030 SIDE GATE LARGE LOOP STEEL LEVER

Introduction

Thank you for choosing the STEEL 3030 SIDE GATE LARGE LOOP STEEL LEVER rifle. This guide provides important safety information to ensure the safe use and handling of your firearm. Please read and understand all instructions carefully before use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store your firearm securely and out of reach of unauthorized users, especially children.
- Use only the correct ammunition specified for this firearm.
- Regularly inspect your firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure the safety mechanism is engaged when the firearm is not in use.
- Do not attempt to modify or alter the firearm in any way.
- Always wear appropriate eye and ear protection when shooting.
- Be cautious of environmental conditions that may affect shooting, such as wind and visibility.
- Avoid using the firearm under the influence of alcohol or drugs.
- Only use the firearm in designated shooting areas or ranges.
- Familiarize yourself with the operation of the side loading gate and magazine before use.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the side loading gate.
- Insert the cartridges into the magazine tube.
- Close the side loading gate securely.

2. Firing the Firearm:

- Ensure the firearm is loaded and the safety is disengaged.
- Aim at your target, keeping your finger off the trigger until ready to shoot.
- Squeeze the trigger smoothly to fire.

3. Unloading the Firearm:

- Point the firearm in a safe direction.
- Engage the safety mechanism.
- Open the side loading gate.
- Remove any remaining cartridges from the magazine.

4. Maintenance:

- Clean the firearm regularly using appropriate cleaning supplies.
- Store the firearm in a dry, secure location.

Disposal Instructions

- Dispose of used cartridges and ammunition in accordance with local regulations.
- If you need to dispose of the firearm, contact a licensed dealer or local authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding your STEEL 3030 SIDE GATE LARGE LOOP STEEL LEVER rifle, please refer to the contact information provided by the manufacturer or your local dealer.

Conclusion

Following these safety guidelines will help ensure a safe and enjoyable experience with your STEEL 3030 SIDE GATE LARGE LOOP STEEL LEVER rifle. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important instructions.
