

# BIG BOY STEEL .45 COLT SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-maneuver dimensions, we've got that brand new deer rifle you've been looking for right here.

## Attributes

- Name: [BIG BOY STEEL .45 COLT SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041659
- Mfr. No.: H012GC

# Safety Instruction Guide for BIG BOY STEEL .45 COLT SIDE GATE

## Introduction

Thank you for choosing the BIG BOY STEEL .45 COLT SIDE GATE. This guide is designed to ensure your safety and the safe operation of your firearm. Please read this manual thoroughly before using the product. Adhering to these safety instructions will help prevent accidents and ensure a safe shooting experience.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Ensure that the firearm is unloaded when not in use.
- Wear appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure that you have a clear shooting area.
- Always check local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Loading and Unloading:

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Use the side loading gate for loading cartridges and ensure the magazine is properly seated.
- To unload, remove the magazine and cycle the action to remove any remaining cartridges.

### • Shooting:

- Do not use the firearm if you are under the influence of drugs or alcohol.
- Ensure that you are familiar with the operation of the firearm before shooting.
- Never shoot at hard surfaces or water, as bullets can ricochet.

### • Maintenance:

- Regularly clean and maintain the firearm according to the manufacturer's instructions.
- Check for any signs of damage or wear before each use.

### • Transporting:

- Always transport the firearm in a secure case, with the action open and magazine removed.
- Ensure that the firearm is unloaded during transport.

## Instructions for Installation and Usage

### • Sling Swivel Studs:

- Attach the sling to the swivel studs for handsfree carrying.

### • Scope Mounts:

- If using optional scope mounts, ensure they are properly installed according to the manufacturer's instructions.

- **Adjustable Sights:**

- Familiarize yourself with the adjustable Westernstyle sights for accurate aiming.

- **Recoil Pad:**

- The black solid rubber recoil pad is designed to reduce felt recoil. Ensure it is properly installed for maximum comfort.

- **Magazine and Loading:**

- The BIG BOY STEEL features a removable tube magazine. To load, insert cartridges through the side loading gate.
  - Ensure the magazine is fully loaded and properly secured before use.

## **Disposal Instructions**

- When disposing of the firearm, ensure it is unloaded and rendered safe.
- Follow local regulations for the disposal of firearms and ammunition.
- Consider contacting a licensed firearms dealer for assistance with disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the BIG BOY STEEL .45 COLT SIDE GATE, please refer to the manufacturer's contact information provided with your product. Always ensure you have a reliable source for support and information.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your BIG BOY STEEL .45 COLT SIDE GATE. Thank you for your attention to safety.
