

# BIG BOY STEEL SIDE GATE LARGE LOOP - BIG BOY STEEL .44 MAG SIDE GATE LARGE LOOP

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-maneuver dimensions, we've got that brand new deer rifle you've been looking for right here.

## Attributes

- Name: [BIG BOY STEEL .44 MAG SIDE GATE LARGE LOOP](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041672
- Mfr. No.: H012GL

# Safety Instruction Guide for BIG BOY STEEL SIDE GATE

## Introduction

Thank you for choosing the BIG BOY STEEL SIDE GATE. This leveraction rifle is designed for safe and effective use in various shooting activities. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Ensure that the firearm is not loaded when not in use.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Use only the specified ammunition for this firearm.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- **Age Restrictions:** This firearm is intended for adult use only. Ensure that minors are supervised by a responsible adult at all times.
- **Shooting Environment:** Always shoot in a designated shooting area or range. Be aware of your surroundings and ensure that there is a safe backstop.
- **Protective Gear:** Always wear appropriate safety gear, including eye and ear protection, when shooting.
- **Handling:** Avoid handling the firearm when you are under the influence of drugs or alcohol.
- **Sighting and Aiming:** Use the adjustable sights to ensure proper aiming before firing. Never aim at anything you do not intend to shoot.

## Instructions for Installation and Usage

- **Loading the Firearm:**
  - Ensure the firearm is pointed in a safe direction.
  - Open the side loading gate and insert cartridges into the tube magazine.
  - Close the side loading gate securely.
  - To chamber a round, pull the lever down and then push it back up to load the round into the chamber.
- **Firing the Firearm:**
  - Ensure you have a clear line of sight and a safe backdrop.
  - Place your finger on the trigger only when you are ready to shoot.
  - Squeeze the trigger gently to fire the firearm.
- **Unloading the Firearm:**
  - Point the firearm in a safe direction.
  - Open the side loading gate and remove cartridges from the tube magazine.
  - Pull the lever down to eject any round in the chamber.

- **Maintenance:**

- Regularly clean your firearm according to the manufacturer's instructions.
- Inspect the firearm for any signs of wear or damage before each use.
- If you notice any issues, do not use the firearm until it has been inspected and repaired by a qualified gunsmith.

## **Disposal Instructions**

- Dispose of empty cartridges and any other waste materials in accordance with local regulations.
- Do not dispose of the firearm in regular trash. Contact your local law enforcement agency or a licensed firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BIG BOY STEEL SIDE GATE, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience with your BIG BOY STEEL SIDE GATE. Always prioritize safety and responsibility when handling firearms.
