

# **BIG BOY STEEL SPECIAL SIDE GATE - BIG BOY STEEL .357 MAG SIDE GATE**

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-maneuver dimensions, we've got that brand new deer rifle you've been looking for right here.

## **Attributes**

- Name: [BIG BOY STEEL .357 MAG SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041673
- Mfr. No.: H012GM

# **Safety Instruction Guide for the BIG BOY STEEL SPECIAL SIDE GATE**

## **Introduction**

Thank you for choosing the BIG BOY STEEL SPECIAL SIDE GATE. This leveraction rifle is designed for safe and enjoyable use. This safety instruction guide is provided to ensure your safety and the safety of others while using this product. Please read and understand all instructions before operating the rifle.

## **General Safety Guidelines**

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm in a secure location, away from children and unauthorized users.
- Use appropriate ammunition as specified in the product details.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure the safety mechanism is engaged when the firearm is not in use.
- Always wear eye and ear protection when shooting.
- Do not use alcohol or drugs before or while handling the firearm.
- Be cautious when loading and unloading the firearm. Always do so in a safe environment.
- Do not modify the firearm in any way that could affect its safety or performance.
- Be aware of the recoil produced when firing, especially with larger calibers.
- Use a proper shooting stance to maintain control of the firearm.
- Do not shoot at hard surfaces or water to avoid ricochets.

## **Instructions for Installation and Usage**

### **Loading the Rifle**

1. Ensure the firearm is pointed in a safe direction.
2. Open the side loading gate and insert the appropriate cartridges into the magazine.
3. Close the loading gate securely.
4. Pull the lever to chamber a round while keeping the muzzle pointed in a safe direction.

### **Unloading the Rifle**

1. Point the firearm in a safe direction.
2. Open the side loading gate to allow cartridges to exit the magazine.
3. Pull the lever fully to ensure the chamber is empty.
4. Visually and physically check the chamber to confirm it is clear.

### **Maintenance**

- Regularly clean the firearm according to the manufacturer's instructions.
- Inspect the barrel and action for any obstructions before each use.
- Store the firearm in a dry place to prevent rust and corrosion.

## **Disposal Instructions**

When disposing of the BIG BOY STEEL SPECIAL SIDE GATE, follow these steps:

- Ensure the firearm is unloaded and safe to handle.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.
- Do not dispose of the firearm in regular trash or recycling.
