

BIG BOY STEEL SIDE GATE LARGE LOOP - BIG BOY STEEL .357 MAG SIDE GATE LARGE LOOP

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-maneuver dimensions, we've got that brand new deer rifle you've been looking for right here.

Attributes

- Name: [BIG BOY STEEL .357 MAG SIDE GATE LARGE LOOP](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041676
- Mfr. No.: H012GML

Safety Instruction Guide for BIG BOY STEEL SIDE GATE LARGE LOOP

Introduction

Thank you for choosing the BIG BOY STEEL SIDE GATE LARGE LOOP. This guide provides essential safety instructions to ensure the safe and effective use of your firearm. It is crucial to follow these guidelines to prevent accidents and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Always use appropriate ammunition as specified in the product details.
- Do not modify the firearm or use accessories that are not approved by the manufacturer.
- Wear appropriate hearing and eye protection when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure the safety mechanism is engaged when the firearm is not in use.
- Inspect the firearm before each use for any signs of damage or wear.
- Use the adjustable sights to ensure accurate aiming and shooting.
- Avoid using the firearm under the influence of drugs or alcohol.
- Only load the firearm when you are ready to shoot.
- Never place your finger on the trigger until you are ready to fire.
- Be cautious of the muzzle and always keep it pointed in a safe direction.

Instructions for Installation and Usage

1. Installation of Scope Mounts (if applicable):

- Ensure the firearm is unloaded before beginning installation.
- Use the drilled and tapped holes on the steel frame to securely attach the scope mounts.
- Follow the manufacturer's instructions for the specific scope being installed.

2. Loading the Firearm:

- Open the side loading gate.
- Insert the appropriate ammunition into the removable tube magazine.
- Close the side loading gate securely.

3. Firing the Firearm:

- Ensure the safety mechanism is disengaged.
- Aim at the target using the adjustable sights.
- Firmly grip the firearm and pull the trigger to fire.
- After firing, engage the safety mechanism immediately.

4. Unloading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the side loading gate and remove the ammunition from the magazine.
- Check the chamber to ensure it is clear of ammunition.

Disposal Instructions

- Dispose of the firearm according to local laws and regulations.
- Ensure that the firearm is rendered inoperable before disposal.
- Contact local authorities or a licensed firearms dealer for safe disposal options.

Contact Information for Further Support

For any questions or concerns regarding the BIG BOY STEEL SIDE GATE LARGE LOOP, please reach out to the manufacturer or refer to the product packaging for contact details.

Conclusion

Following these safety guidelines will help ensure a safe and enjoyable experience with your BIG BOY STEEL SIDE GATE LARGE LOOP. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety instructions.
