

BLUE LINE 12 GAUGE - BLUE LINE PUMP 12 GAUGE 18"

[Firearms](#) > [Shotguns](#) > [Pump](#)

The Blue Line Pump is a new full featured 12 Gauge Shotgun at a great price. With traditional Pump Action Shotgun controls, such as the cross bar safety and slide release, you will be right at home with the Blue Line Shotgun. The 18.5 inch bead sight barrel combined with a 5+1 capacity out of the box make the shotgun a handy package. Buttstock and forend are compatible with aftermarket Remington 870 parts, making this an easily upgradeable gun. Receiver and metal components feature a matte black finish, with the furniture also being molded in matte black polymer. Sling swivel studs are conveniently located on the magazine tube cap and at the rear of the stock.

Safety Instruction Guide for BLUE LINE 12 GAUGE PUMP SHOTGUN

Introduction

Thank you for choosing the BLUE LINE 12 GAUGE PUMP SHOTGUN. This guide provides essential safety instructions to ensure the safe use and handling of your shotgun. It is important to read and understand these guidelines to promote safe practices and prevent accidents.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the shotgun pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the shotgun is unloaded when not in use.
- Store the shotgun in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the shotgun for signs of wear or damage.
- Use only the recommended ammunition for your shotgun.
- Be aware of your surroundings and ensure that there is a safe backstop behind your target.

Specific Safety Precautions for Use

- **Age Restrictions:** This shotgun is intended for use by adults and should not be handled by individuals under the age of 18 without proper supervision.
- **Training:** Seek professional training on the safe handling and operation of firearms before using this shotgun.
- **Protective Gear:** Always wear appropriate eye and ear protection when shooting.
- **Shooting Environment:** Ensure that you are in a designated shooting area that complies with local laws and regulations.
- **Alcohol and Drugs:** Never use this shotgun while under the influence of alcohol or drugs.

Instructions for Installation and Usage

- **Installation:**
 - Ensure the shotgun is completely unloaded before installation.
 - Familiarize yourself with the shotgun's components, including the safety mechanism, slide release, and magazine.
 - Attach any aftermarket parts according to the manufacturer's instructions, ensuring compatibility with the Remington 870 components.
- **Usage:**
 - To load the shotgun, open the action by pulling the forend back and inserting shells into the magazine tube.
 - Close the action by pushing the forend forward.
 - To fire, disengage the safety and pull the trigger while maintaining a firm grip on the shotgun.
 - After firing, open the action to eject spent shells and load new ones as necessary.
 - Always ensure the safety is engaged when not in use.

Disposal Instructions

- Dispose of the shotgun in accordance with local laws and regulations.
- If the shotgun is damaged or no longer functional, consult a qualified gunsmith for proper disposal methods.
- Do not dispose of ammunition in regular waste. Contact local authorities for safe disposal options.

Contact Information for Further Support

For any inquiries or safety concerns regarding your BLUE LINE 12 GAUGE PUMP SHOTGUN, please consult your local authorized dealer or manufacturer representative.

Conclusion

By following these safety instructions, you can ensure a safer experience with your BLUE LINE 12 GAUGE PUMP SHOTGUN. Always prioritize safety and stay informed about best practices for firearm handling. Thank you for your commitment to responsible gun ownership.
