

MBUS 3 FRONT & REAR SIGHT SETS - MAGPUL MBUS 3 SIGHT SET FLIP-UP ADJUSTABLE POLYMER FOR AR-15 ODG

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

The next evolution in the Magpul MBUS (Magpul Back-Up Sight) line, the MBUS 3 incorporates the best features, strengths and value of the original MBUS and MBUS Pro Sights in a feature-packed back-up sight system. Significantly reduced in size from the MBUS, it sits at just 0.44" high when folded and 1.15" at its widest point. Its aesthetics are derived from the MBUS Pro, but the MBUS 3 Front and Rear Sight is constructed of Magpul's impact-resistant polymer, making it lightweight and extremely durable. Featuring the same spring-loaded technology as its predecessor, they can be deployed with an ambidextrous push-button. The MBUS 3 sits at standard AR-height when deployed. The MBUS 3 Front Sight includes tool-less elevation adjustments and a dual width enhanced front sight similar to the MBUS Pro. MBUS 3 Sights available in Black, Flat Dark Earth, Stealth Gray, and OD Green. Made in the USA. ELEVATION ADJUSTMENT 1.6 MOA (1.886"/100m) per click with a 14.5" sight radius 1.2 MOA (1.367"/100m) per click with a 20" sight radius The MBUS 3 Rear Sight includes a rapid-select aperture system. Rapid-select rear aperture system 0.44" high when folded 1.15" wide at widest point Standard AR-height when deployed Ambidextrous push-button deployment • For attachment to M1913 picatinny rail

MBUS 3 Front & Rear Sight Sets Safety Instruction Guide

Introduction

Thank you for choosing the MBUS 3 Front & Rear Sight Sets by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your sights. Please read this document carefully before installation and usage to maximize safety and performance.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MBUS 3 Sights by following all instructions and safety recommendations.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices that may affect your sights.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep these sights out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, consult your local authorities or safety organizations.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- Always inspect the sights for any visible damage before use.
- Ensure that the sights are securely attached to the firearm before firing.
- Do not attempt to modify or disassemble the sights.
- Use the sights only for their intended purpose—aiming and targeting.
- Keep the sights clean and free from obstructions.
- Avoid exposing the sights to extreme temperatures or harsh chemicals.
- Store the sights in a dry, safe location when not in use.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Select the Mounting Location:** Choose an appropriate position on the M1913 picatinny rail for mounting the sights.
3. **Attach the Front Sight:**
 - Align the front sight with the chosen rail position.
 - Use the provided hardware to secure the sight firmly, ensuring it is level.
4. **Attach the Rear Sight:**
 - Align the rear sight with the chosen rail position, ensuring it is directly behind the front sight.
 - Secure it using the provided hardware.
5. **Check Alignment:** Verify that both sights are aligned correctly for optimal aiming.

Usage

- **Deployment:**
 - To deploy the sights, press the ambidextrous pushbutton.
 - Ensure the sights are fully extended and locked in place before use.
- **Adjustments:**
 - For elevation adjustments, rotate the toolless elevation adjustment knob as needed.
 - Use the rapidselect aperture system on the rear sight to switch between apertures based on your shooting needs.
- **Sighting:**

- Align the front sight post with the rear aperture for accurate targeting.
- Practice proper shooting stance and aim for best results.

Disposal Instructions

- Dispose of the MBUS 3 Sights in accordance with local regulations for plastic and electronic waste.
- Do not incinerate or expose the sights to extreme heat.
- If the sights are damaged beyond repair, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MBUS 3 Front & Rear Sight Sets, please refer to local authorities or safety organizations for assistance. Ensure you are informed about safety updates and product recalls.

By following these safety instructions, you can ensure a safe and effective experience with your MBUS 3 Front & Rear Sight Sets. Thank you for your attention to safety!
