

# GGP-17 V3 SLIDES - GREY GHOST PRECISION GGP G17 GEN 4, V3 , BLACK

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

GGP-17 V3 SLIDES Taking direct feedback from pistol combat instructors and shooting professionals who were using our Version 1 and Version 2 slides, the Version 3 pattern was designed with tapered serration channels for an increased purchase on the slide when performing press checks or malfunction clearing drills, ensuring positive operation of the slide under duress or while in any wet, muddy, and/or visceral conditions. Another innovation is the dual compatibility optic cut, which is milled for either a Leupold Deltapoint Pro or a Trijicon RMR when using the supplied aluminum shim plate and screws. FEATURES: Stripped slide machined from 17-4 Billet Stainless Steel to have tighter tolerances than a factory slide Black Nitride Coated inside and out Version 3 Slide Pattern with tapered serrations for improved grip NEW dual optic cutout compatible with Leupold DeltaPoint Pro or Trijicon RMR with supplied shim plate (correct length screws included) Includes a custom G10 cover plate and proper screws for use without optic installed Available Gen 4 G17 compatible frames Please Note : All sights should be installed by a gunsmith

# Safety Instruction Guide for GGP17 V3 Slides

## Introduction

Thank you for choosing the GGP17 V3 Slides by Grey Ghost Precision. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before installation and use to avoid potential hazards.

## General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the GGP17 V3 Slides. Follow all instructions to minimize risks associated with the product.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices by checking official channels regularly.
- **Online Shopping:** If purchased online, ensure the platform complies with safety regulations.
- **Consumer Focus:** Keep the product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Installation by Professionals:** Always have sights and any modifications installed by a qualified gunsmith to ensure proper fit and function.
- **Handling:** Treat the GGP17 V3 Slides as if they are loaded. Always follow safe handling practices.
- **Environmental Conditions:** Avoid using the slides in wet or muddy conditions without proper cleaning and maintenance.
- **Regular Inspection:** Periodically check the slides for wear and tear. Replace any damaged parts immediately.
- **Use Appropriate Ammunition:** Only use 9 mm Luger ammunition that is compatible with the Glock 17, Gen 4.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the factory slide from your Glock 17, Gen 4 frame.
- Align the GGP17 V3 Slide with the frame.
- Securely fasten using the provided screws and shim plate for optic compatibility.
- If not using an optic, install the custom G10 cover plate with the appropriate screws.
- Doublecheck all screws for tightness before use.

### 2. Usage:

- Practice press checks and malfunction clearing drills to familiarize yourself with the new slide.
- Maintain a firm grip on the slide during operation, especially under stressful conditions.
- Regularly clean the slide to ensure optimal performance.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the GGP17 V3 Slides and any associated materials in accordance with local regulations.
- **Recycling:** Where possible, recycle metal and plastic components to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the GGP17 V3 Slides, please refer to the appropriate contact point provided by the retailer or manufacturer.

By following these guidelines, you can ensure the safe and effective use of your GGP17 V3 Slides. Thank you for your attention to safety!
