

# PLHV2-18350 WEAPON LIGHTS - MODLITE SYSTEMS PLHV2-18350 COMPLETE LIGHT NO TAILCAP, NO CHARGER

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

This Modlite PLHV2 18350 weapon light package contains a PLHV2-light head, 18350 body and the option of a tail cap or without a tail cap. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. Item 100-042-502 does not include a tail cap or charger to offer a savings for those who don't need those components. This light is a large step forward from the PLHV1 light. Lumen output is about the same, but throw is greatly improved. It is the best balance of flood and throw available. If you are looking for the best overall output and throw this is the package you want. Features Cool White 5700K emitter tint Made and assembled in the USA Drivers are fully potted and tested to withstand select fire SCAR 17 recoil. Lifetime guarantee Approximately 1350 out the front lumens and candela is approximately 54,000. It is an excellent overall light head good for indoor or outdoor use. 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra clear BOROFLOAT® lens allows 98-99% light transmittance. Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. We recommend the KeepPower 18350 high drain cells which can be found separately. Runtime is about 35 minutes with the supplied 18350 cells.

# Modlite PLHv218350 Weapon Light Safety Instructions

## Introduction

Thank you for choosing the Modlite PLHv218350 Weapon Light. This guide provides essential safety instructions to ensure the safe and effective use of your new lighting system. Please read this manual carefully before use to understand the safety precautions and operational guidelines.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the weapon light with care to prevent damage or injury.
- Keep the weapon light out of reach of children and vulnerable individuals.
- Do not use the product in environments where flammable gases or materials are present.
- Regularly inspect the weapon light for any signs of damage or wear.
- If you notice any irregularities, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Battery Safety:**
  - Only use the recommended KeepPower 18350 high drain cells. Other battery types, such as Lithium CR123 cells, are not supported and may cause overheating or explosion.
- **Heat Generation:**
  - Be aware that the weapon light may become hot during extended use. Allow it to cool before handling.
- **Impact Resistance:**
  - The light is designed to withstand select fire SCAR 17 recoil; however, avoid dropping or subjecting it to unnecessary impacts.
- **Water Resistance:**
  - This product is not waterproof. Avoid exposing the weapon light to water or excessive moisture.
- **Storage:**
  - Store the weapon light in a cool, dry place away from direct sunlight and extreme temperatures.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the weapon is unloaded and safe before installation.
- Attach the PLHv2 light head to the 18350 body securely.
- If using a tail cap, attach it to the end of the body. Note that this specific model does not include a tail cap.
- Insert the KeepPower 1200mAh 18350 battery into the body with the positive terminal facing the light head.

### 2. Usage:

- To turn on the light, press the activation switch.
- The light features a Cool White 5700K emitter tint, providing optimal visibility.
- For best performance, avoid using the light for extended periods without breaks to prevent overheating.
- If the light flickers or dims, replace the battery immediately.

### **3. Maintenance:**

- Regularly clean the lens and body with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials that may damage the surface.

## **Disposal Instructions**

- Dispose of the weapon light and batteries in accordance with local regulations.
- Do not dispose of batteries in regular household waste.
- Look for recycling programs in your area that accept electronic waste and batteries.

## **Contact Information for Further Support**

For any questions or concerns regarding the Modlite PLHv218350 Weapon Light, please refer to the manufacturer's website or customer support resources. Ensure you have the product details ready for faster assistance.

By following these safety instructions, you can ensure the safe and effective use of your Modlite PLHv218350 Weapon Light. Thank you for your attention to safety.
