

# AR-15 STRIPPED UPPER RECEIVERS - AR-15 STRIPPED UPPER RECEIVER NO AUTO SEAR/FORWARD ASSIST

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Want to build from scratch? Aero Precision provides a stripped upper skeleton to get started. Uppers are available with or without the forward assist. The AR-15 upper receivers listed here omit the “auto sear” cut, making them semi-automatic only, which is required for some countries such as Germany. Standard AR-15 components, including AR-15 or M16 bolt carriers will function fine with these upper receivers. Uppers are machined with M4 feedramps, mil-spec picatinny rails and finished with a matte black hard anodized finish.

Thank you for choosing the AR15 Stripped Upper Receiver from Aero Precision. This guide provides essential safety instructions and recommendations to ensure safe handling, installation, and use of the product. Please read this guide thoroughly before use to understand the safety precautions and proper handling procedures.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations in your region.
- Always treat all firearms and firearm components as if they are loaded.
- Store all firearm components securely and out of reach of children and unauthorized users.
- Regularly inspect the upper receiver for any signs of damage or wear before use.
- Only use parts and accessories that are compatible with the AR15 platform to ensure safety and functionality.
- Follow all manufacturer's instructions and guidelines for assembly and use.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper handling or installation may lead to accidental discharge or malfunction.
- Using noncompatible components may result in unsafe operation.

### • Avoiding Hazards:

- Always ensure the firearm is pointed in a safe direction when handling.
- Do not attempt to modify the upper receiver or any firearm components beyond manufacturer specifications.
- Wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

### • Age Specific Warnings:

- This product is intended for use by individuals 18 years of age and older.
- Ensure that minors are supervised by a responsible adult when in the vicinity of firearms.

## Instructions for Installation and Usage

### • Installation Steps:

1. Ensure that the firearm is unloaded and that the magazine is removed.
2. Remove the existing upper receiver from the lower receiver by pinning or unpinning as necessary.
3. Align the new stripped upper receiver with the lower receiver.
4. Secure the upper receiver in place using the appropriate pins or screws as instructed by the manufacturer.
5. Confirm that the upper and lower receivers are securely attached and that there are no gaps.

### • Usage Instructions:

- After installation, perform a function check to ensure the firearm operates correctly.

- Always follow safe firearm handling practices during use.
- Clean and maintain the upper receiver regularly to ensure optimal performance.

## Disposal Instructions

- Dispose of any damaged or unusable firearm components in accordance with local regulations.
- If the upper receiver is no longer needed, consider contacting a local firearms dealer or a licensed gunsmith for proper disposal options.
- Do not discard firearm components in regular household waste.

## Contact Information for Further Support
