

SUPER STABBY BAYONET MOUNTS - SUPER STABBY BAYONET MOUNT BLACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Hardware](#) > [Handguard Hardware](#)

The Super Stabby Bayonet Mount (SSBM) allows Picatinny integration of stabby accessories to your handguard. Made from 7075-T6 Aluminum it is both extremely rigid and lightweight. The SSBM is optimized for the M9 Bayonet and is compatible with Bayonets that interface with the M16 Mil-Spec Bayonet Lugs and front barrel/muzzle rings. It only requires 5 Picatinny sections to be mounted. MATERIAL: 7075-T6 Aluminum WEIGHT: 5.7oz COLOR: Black BAYONET TYPE: M9 Bayonet COMPATIBILITY: M16 Mil-Spec Bayonet Lugs & Front Barrel/Muzzle Rings PICATINNY SLOTS: Minimum of 5 Picatinny Rail Sections BAYONET IS NOT INCLUDED DISCLAIMER: The SSBM has only been tested on Geissele rails. Use, wear, and fit on other rails is unknown. Due to the lack of control over the operational use of the SSBM, Geissele Automatics specifically disclaims any responsibility for damage to the firearm it is installed on or its parts or accessories. The bayonet blade is sharp. Handle with care and keep the tip and edge of the blade pointed away from your body or anything you do not intend to use it on at all times. Improper fit and use can cause serious injury or death. Make sure to be aware of any rough surfaces on your rifle, such as the pic rail sections on the handguard, as manipulating the rifle to use the attached bayonet may cause injury if you are not wearing proper protective equipment, which should be worn at all times when using this product. Please also note that the fundamental rules for firearms safety must be adhered to at all times.

SUPER STABBY BAYONET MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Super Stabby Bayonet Mount (SSBM). This product is designed to safely integrate stabby accessories with your handguard. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the bayonet and the SSBM with care. The bayonet blade is sharp and can cause serious injury.
- Ensure that you are wearing appropriate protective equipment when using this product.
- Be aware of your surroundings and ensure that the blade is pointed away from yourself and others at all times.
- Follow all fundamental firearm safety rules at all times.
- Regularly inspect the SSBM and bayonet for any signs of wear or damage before use.
- If you notice any damage or if the product does not fit properly, do not use it.

Specific Safety Precautions for Use

- Use only with compatible bayonets, specifically the M9 Bayonet or those that interface with M16 MilSpec Bayonet Lugs and front barrel/muzzle rings.
- Ensure that the SSBM is mounted securely to the handguard using a minimum of 5 Picatinny rail sections.
- Do not attempt to modify or alter the SSBM in any way.
- Avoid using the SSBM on any rails other than Geissele rails, as compatibility with other brands is unknown.
- Keep the area around the SSBM free of obstructions and ensure that no one is in the vicinity when using the bayonet.

Instructions for Installation and Usage

1. Installation:

- Ensure that the handguard is clean and free from debris.
- Align the SSBM with the desired Picatinny rail sections on your handguard.
- Secure the SSBM using the appropriate mounting hardware (not included) to ensure a tight fit.
- Verify that the SSBM is firmly attached before proceeding.

2. Usage:

- Always check that the bayonet is properly attached to the SSBM before use.
- Handle the bayonet with care, keeping the blade pointed away from your body.
- When manipulating the rifle with the attached bayonet, be cautious of any rough surfaces that may cause injury.
- If you are unsure about the operation of the bayonet or the SSBM, seek guidance from a qualified professional.

Disposal Instructions

- Dispose of the SSBM and any associated components in accordance with local regulations.
- Do not throw the product away carelessly; ensure that it is disposed of in a way that prevents injury to

others.

Contact Information for Further Support

For any questions or concerns regarding the SSBM, please refer to the product packaging or the retailer from whom you purchased the product. It is important to ensure that you have the correct information for any inquiries related to safety or product use.

By following these safety instructions, you can help ensure a safe and effective experience with the Super Stabby Bayonet Mount. Always prioritize safety and responsible handling of firearms and accessories.
