FN 509 Replacement Striker Components Kit

Safety Instructions

Introduction

Thank you for purchasing the FN 509 Replacement Striker Components Kit from Apex Tactical Specialties Inc. This kit is designed to replace lost factory striker components in FN 509, FNS, FN5C, and FN 503 pistols. It is essential to follow the safety instructions outlined in this guide to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the components.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only in compatible FN models: FNS, 509, 503, FN5C.
- Handle all firearm components with care, ensuring they are free from obstructions before installation.
- Always follow the standard safety procedures for handling firearms.
- Do not attempt to modify the components in any way.
- Ensure that the firearm is unloaded before starting any installation or maintenance work.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools for installation.
- Work in a clean, dry environment to avoid contamination.

2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing striker components from your FN pistol.
- Install the new Striker Spring Stop and Striker Spring Stop Pin from the kit.
- Ensure that both components are securely fitted and properly aligned.
- Reassemble the firearm according to the manufacturer's guidelines.

3. PostInstallation Check:

- Once installed, perform a function check to ensure the firearm operates correctly.
- Inspect the components for any signs of improper installation or damage.

4. Usage:

- Regularly inspect the striker components during routine firearm maintenance.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any old or damaged components in accordance with local regulations.
- Do not dispose of components in regular household waste. Instead, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FN 509 Replacement Striker Components Kit, please contact the manufacturer directly. Ensure you have the product details ready for a more efficient response.

Thank you for prioritizing safety while using your FN 509 Replacement Striker Components Kit. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
