# MKW15 COMPLETE BOLT CARRIER GROUP REPAIR KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MKW15 COMPLETE BOLT CARRIER GROUP REPAIR KIT by CMMG. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Store the kit in a secure location, out of reach of children and unauthorized users.
- Regularly inspect all components for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearm components.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle the BCG Repair Kit with care to avoid injury.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during installation.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning any work.
- Be aware of potential hazards during installation, including sharp edges and small parts that could pose a choking hazard.
- Do not attempt to modify or alter any components of the kit.
- If you are unsure about any aspect of the installation or usage, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have a clean and welllit workspace.
- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.

### 2. Installation Steps:

- Unpack all components of the MKW15 COMPLETE BOLT CARRIER GROUP REPAIR KIT.
- Identify each part: Bolt, Firing Pin, Firing Pin Retainer Pin, Key (RDB), Key Screw (x2), Bolt Cam Pin, Extractor, Extractor Buffer, Ejector, Ejector Spring, Bolt Spring (RDB), and Roll Pins.
- Begin by installing the firing pin into the bolt, securing it with the firing pin retainer pin.
- Attach the key (RDB) to the bolt carrier group using the key screws.
- Insert the bolt cam pin and ensure it is properly seated.
- Install the extractor and extractor buffer into the bolt.
- Attach the ejector and its spring to the bolt, ensuring proper alignment.
- Finally, install the bolt spring (RDB) and secure all components with the roll pins.

### 3. PostInstallation:

- Inspect all installed components for correct positioning.
- Perform a functionality check to ensure the bolt carrier group operates smoothly.

- Clean the workspace and properly dispose of any packaging materials.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If any components are damaged and cannot be used, follow local guidelines for the safe disposal of firearm parts.

## **Contact Information for Further Support**

For any inquiries related to safety or product support, please refer to the contact information provided by your retailer or manufacturer.

By following these safety instructions, you can ensure the safe and effective use of your MKW15 COMPLETE BOLT CARRIER GROUP REPAIR KIT. Thank you for your attention to these important guidelines.
