# MKW15 Complete Bolt Carrier Group Repair Kit Safety Instructions

## Introduction

Thank you for choosing the MKW15 Complete Bolt Carrier Group Repair Kit by CMMG. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before use.

## General Safety Guidelines

- Product Safety: Ensure that all components are used in accordance with the manufacturer's instructions to prevent accidents or injuries.
- Enhanced Recalls: Stay informed about any recalls or safety notices related to this product through official channels.
- Online Shopping: Ensure that you purchase this product from authorized dealers to guarantee safety and compliance.
- Special Consumer Focus: This product is not intended for use by children. Keep all components out of reach of minors.
- EU Contact Point: For any safety inquiries, you should contact the manufacturer or authorized distributor.
- Rapid Alerts: Monitor the EU's Safety Gate platform for updates on product safety and any potential hazards.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling or installing the kit.
- Ensure the firearm is unloaded and pointed in a safe direction before beginning any installation or maintenance work.
- Inspect all components for damage before use. Do not use any damaged parts.
- Follow all local laws and regulations regarding firearm maintenance and modifications.
- If you are unsure about any part of the installation or usage process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all components included in the MKW15 Complete Bolt Carrier Group Repair Kit.
- Ensure you have the necessary tools for installation, including a punch set and screwdriver.

### 2. Installation Steps

- **Remove the Existing Bolt Carrier Group:**
  - Ensure the firearm is unloaded.
  - Disassemble the upper receiver from the lower receiver.
  - Remove the existing bolt carrier group from the upper receiver.
- **Install the New Components:**
  - Begin by installing the bolt into the bolt carrier.
  - Insert the firing pin into the bolt and secure it with the firing pin retainer pin.
  - Attach the key (RDB) to the bolt carrier using the key screws provided.
  - Install the bolt cam pin and extractor.
  - Ensure all roll pins are securely in place.

- Reassemble the upper and lower receivers, ensuring everything is aligned correctly.

### **3. PostInstallation Checks**

- After installation, conduct a function check to ensure that the bolt carrier group operates smoothly.
- If you encounter any resistance or unusual sounds, disassemble and inspect the components for proper installation.

## **Disposal Instructions**

- Dispose of any damaged or unused components in accordance with local regulations.
- Do not dispose of components in regular household waste. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MKW15 Complete Bolt Carrier Group Repair Kit, please reach out to the manufacturer or authorized distributor for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your MKW15 Complete Bolt Carrier Group Repair Kit. Thank you for your attention to these important guidelines.
