

# FAST FTC AIMPOINT MAGNIFIER MOUNT - UNITY TACTICAL FAST FTC 30MM MAGNIFIER W/QD LEVER FDE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

FAST FTC Magnifier Mounts feature the first ever Flip-To-Center (FTC) mechanism (patent-pending), providing stowage completely within the footprint of the weapon's receiver while not occluding the host optic's sight picture at all. This provides the most optic capability with the lowest profile during all modes of operation. The revolutionary FTC function completely solves the problem posed by legacy flip-to-side magnifier mounts (when disengaged, the magnifier hangs off the side of the gun, creating a major snag hazard). FAST™ FTC Magnifier Mounts completely eliminate this danger and utilize a force-to-overcome mechanism for rapid transition. Designed for Aimpoint® Magnifiers (3XMag-1, 3X-C) and some other 30mm magnifiers. FAST™ FTC Magnifier Mounts come complete with American Defense Manufacturing® patented QD Auto-Lock™ Lever. The FAST™ FTC Magnifier Mount is built from 7075-T6 Aluminum and Type III Hardcoat Anodized Black or FDE.

## Attributes

- Name: [UNITY TACTICAL FAST FTC 30MM MAGNIFIER W/QD LEVER FDE](#)
- Manufacturer: [UNITY TACTICAL](#)
- Product no.: 100043329

# FAST FTC Aimpoint Magnifier Mount Safety Instruction Guide

## Introduction

Thank you for purchasing the FAST FTC Aimpoint Magnifier Mount by Unity Tactical. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe operation of your product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the installation instructions to avoid any misuse or accidents.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any irregularities during use, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure the magnifier mount is compatible with your Aimpoint magnifier and other 30mm magnifiers before use.
- **Secure Attachment:** Always check that the QD AutoLock™ Lever is securely fastened to prevent accidental detachment.
- **Avoid Snag Hazards:** Be aware of your surroundings to avoid snagging the mount on equipment or clothing, especially when disengaged.
- **ForcetoOvercome Mechanism:** Familiarize yourself with the mechanism to ensure rapid transitions without compromising safety.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Attach the FAST FTC Magnifier Mount to the designated rail on your firearm.
- Secure the mount using the QD AutoLock™ Lever, ensuring it is tightly fastened.
- Adjust the mount to your preferred position for optimal sight alignment.

### 2. Usage:

- To engage the FlipToCenter (FTC) mechanism, gently pull the lever to the side and flip the magnifier into the central position.
- To stow the magnifier, pull the lever again and flip the magnifier back into its stowed position.
- Regularly check the mount's stability during use, especially after significant movement or adjustments.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not throw the product in regular household waste.
- Contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

- For any safety inquiries, product support, or to report unsafe products, please refer to the appropriate contact points in your region.

Thank you for prioritizing safety and ensuring the proper use of the FAST FTC Aimpoint Magnifier Mount. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
