# PTAKS RUGGED REFILL POD ELEVEN 10 Safety Instruction Guide

## Introduction

Thank you for choosing the PTAKS RUGGED REFILL POD ELEVEN 10. This product is designed to provide essential first aid supplies in emergency situations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is stored in a cool, dry place, away from direct sunlight.
- Regularly check the contents of the refill pod to ensure that all items are in good condition and within their expiration dates.
- Keep the product out of reach of children unless under adult supervision.
- In case of any allergic reactions or adverse effects from the use of items included in the pod, seek medical attention immediately.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **CLEER Medical Trauma Dressing:**
  - Use only on clean, dry wounds.
  - Do not apply if the packaging is damaged.
- **Phokus Research Frog Gauze / QuikClot Combat Gauze LE:**
  - Ensure that the gauze is applied directly to the wound.
  - Do not use if the packaging is compromised.
- **Nitrile Gloves:**
  - Use gloves to prevent contamination when treating wounds.
  - Discard gloves after use and wash hands thoroughly.
- **Phokus Research Group / Eleven 10 Frog Tape:**
  - Use tape to secure dressings in place.
  - Avoid using on sensitive skin or open wounds.
- **North American Rescue Hyfin Vent Compact Chest Seal:**
  - Follow the instructions for proper application to ensure effective sealing.
  - Do not use if the seal is broken or damaged.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you are in a safe environment before administering first aid.
- Wash your hands before handling any items from the refill pod.

### 2. Using the Trauma Dressing:

- Open the packaging carefully.
- Place the dressing directly onto the wound and apply gentle pressure.
- Secure the dressing in place using the Frog Tape if necessary.

### 3. Applying Gauze:

- If bleeding is severe, apply the Frog Gauze or QuikClot directly to the wound.

- Hold in place for a few minutes to allow clotting.

#### **4. Wearing Nitrile Gloves:**

- Put on the gloves before touching any wounds or medical supplies.
- Ensure a snug fit to maintain dexterity.

#### **5. Using the Chest Seal:**

- Open the packaging and remove the chest seal.
- Place the seal over a sucking chest wound, ensuring a tight fit.
- Press down firmly to eliminate air leaks.

## **Disposal Instructions**

- Dispose of used medical supplies in accordance with local regulations for hazardous waste.
- Ensure that all items are discarded safely to prevent accidental use or exposure.
- Recycle packaging materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the PTAKS RUGGED REFILL POD ELEVEN 10, please refer to the EU contact point provided with your product packaging. You can also check for recall updates on the EU's Safety Gate platform.

By following these guidelines, you can help ensure your safety and the safety of others when using the PTAKS RUGGED REFILL POD ELEVEN 10. Thank you for prioritizing safety in emergency situations.
