# PTAKS RUGGED REFILL POD ELEVEN 10 Safety Instruction Guide

## Introduction

Thank you for choosing the PTAKS RUGGED REFILL POD ELEVEN 10. This product is designed to provide essential first aid supplies in emergency situations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the contents of the refill pod for expiration dates and integrity.
- In case of any injury or emergency, seek professional medical assistance immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear nitrile gloves when handling the contents of the refill pod to minimize the risk of contamination.
- Use the trauma dressing and gauze only on clean, dry wounds.
- Ensure that the chest seal is applied properly to prevent air from entering the chest cavity.
- Dispose of used medical supplies in accordance with local regulations to avoid health risks.
- If you are unsure about how to use any of the items, consult a medical professional or refer to instructional materials.

## Instructions for Installation and Usage

1. **Opening the Pod:** Carefully open the refill pod without damaging the contents.
2. **Using the Trauma Dressing:**
  - Remove the dressing from its packaging.
  - Apply directly to the wound, ensuring full coverage.
  - Secure the dressing in place using the included Frog Tape.
3. **Applying Gauze:**
  - Choose either the Frog Gauze or QuikClot Combat Gauze LE.
  - Pack the gauze into the wound as needed to control bleeding.
  - Apply pressure to the area until bleeding stops.
4. **Using the Chest Seal:**
  - Open the chest seal packaging.
  - Place the seal over the wound, ensuring a tight fit.
  - Press down firmly to create an airtight seal.
5. **Wearing Gloves:** Always wear nitrile gloves when handling any medical supplies to prevent contamination.
6. **Disposal:** After use, dispose of all medical waste in accordance with local health regulations.

## Disposal Instructions

- Dispose of all used medical supplies in accordance with local regulations.
- Do not throw away in regular household waste.
- Check for local hazardous waste disposal sites if necessary.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the PTAKS RUGGED REFILL POD ELEVEN 10, please refer to the product packaging for relevant contact information.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on the proper use and disposal of this product.
