# PTAKS RUGGED REFILL POD ELEVEN 10 Safety Instruction Guide

## Introduction

Thank you for choosing the PTAKS RUGGED REFILL POD ELEVEN 10. This product is designed to provide essential first aid supplies for emergency situations. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the contents regularly to ensure they are in good condition and have not expired.
- Store the product in a cool, dry place away from direct sunlight and extreme temperatures.
- In case of an emergency, call for professional medical assistance immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that all items are used according to their intended purpose.
- Use gloves provided to minimize the risk of contamination when handling injuries.
- Avoid using any item that appears damaged or compromised.
- If allergic to any materials in the kit (e.g., latex), do not use those items.
- Follow the instructions for each item carefully to prevent misuse.
- In case of an allergic reaction or adverse effects, seek medical attention.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you are in a safe location to provide first aid.
- Gather all necessary items from the kit.

### 2. Using the Trauma Dressing:

- Open the CLEER Medical Trauma Dressing package.
- Apply the dressing directly to the wound, ensuring full coverage.
- Secure the dressing in place, avoiding tightness that could restrict blood flow.

### 3. Using the Gauze:

- Choose either the Phokus Research Frog Gauze or QuikClot Combat Gauze LE.
- Open the package and apply the gauze directly to the wound.
- Apply pressure as needed to control bleeding, and secure it in place.

### 4. Using Nitrile Gloves:

- Before handling any injuries, put on a pair of nitrile gloves.
- Dispose of gloves immediately after use to prevent contamination.

### 5. Using Frog Tape:

- Use the Phokus Research Group / Eleven 10 Frog Tape to secure dressings or gauze as needed.
- Ensure the tape adheres well to both the skin and the dressing.

#### **6. Using the Chest Seal:**

- Open the North American Rescue Hyfin Vent Compact Chest Seal package.
- Apply the seal over any open chest wounds, ensuring a tight fit to prevent air from entering the chest cavity.

## **Disposal Instructions**

- Dispose of used items, such as gloves and dressings, in accordance with local regulations.
- Do not discard any items in regular household waste if they are contaminated.
- Check local guidelines for proper disposal methods of medical waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the PTAKS RUGGED REFILL POD ELEVEN 10, please refer to the EU contact point for consumer safety inquiries.

By following these safety instructions, you can ensure the effective use of the PTAKS RUGGED REFILL POD ELEVEN 10 while adhering to the EU General Product Safety Regulation. Stay safe and informed.
