PTAKS RUGGED REFILL POD ELEVEN 10 Safety Instruction Guide

Introduction

Thank you for choosing the PTAKS RUGGED REFILL POD ELEVEN 10. This product is designed to provide essential first aid supplies for trauma situations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is stored in a cool, dry place away from direct sunlight.
- Regularly check the contents of the refill pod to ensure all items are present and within their expiration dates.
- Keep the product out of reach of children unless under adult supervision.
- In case of an emergency, follow the guidelines provided in this manual and seek professional medical assistance when necessary.
- Report any unsafe conditions or incidents involving this product to local authorities.

Specific Safety Precautions for Use

- Use the trauma dressing and gauze only as directed for wound care.
- Avoid using the product on severe burns or deep puncture wounds without professional medical advice.
- Ensure that gloves are worn when handling any materials that may come into contact with blood or bodily fluids.
- Be cautious when using the chest seal; ensure it is applied correctly to prevent air from entering the chest cavity.
- Do not use expired items; replace any expired components immediately.

Instructions for Installation and Usage

1. Preparation:

- Open the refill pod and lay out all components on a clean, dry surface.
- Ensure that your hands are clean and, if necessary, wear nitrile gloves.

2. Using the Trauma Dressing:

- Remove the trauma dressing from its packaging.
- Place the dressing directly over the wound and apply gentle pressure.
- Secure the dressing in place using the provided tape.

3. Applying Combat Gauze:

- If using the QuikClot Combat Gauze, pull out the gauze from its packaging.
- Pack the gauze tightly into the wound, ensuring it is fully inserted.
- Apply pressure to control bleeding and secure with a bandage if necessary.

4. Using the Chest Seal:

- Open the chest seal package and remove the seal.
- Place the seal over the wound on the chest, ensuring it creates a tight seal.
- Follow the instructions for proper application to prevent air entry.

5. Disposing of Used Materials:

- Dispose of used gauze, dressings, and gloves in accordance with local regulations.
- Do not reuse any single-use items.

Disposal Instructions

- Dispose of all used components in accordance with local waste disposal regulations.
- Ensure that all materials are sealed in a plastic bag before disposal to prevent contamination.
- Follow any specific disposal guidelines provided by local health authorities.

Contact Information for Further Support

For any questions or concerns regarding the PTAKS RUGGED REFILL POD ELEVEN 10, please refer to the contact information provided on the product packaging or visit the manufacturer's website for further assistance.

Please keep this guide for future reference and ensure that all users of this product are familiar with the safety instructions outlined herein. Your safety is our priority, and we appreciate your attention to these guidelines.
