ETAK Tear Away Pouch Safety Instructions

Introduction

Thank you for choosing the Eleven 10® ETAK Tear Away Pouch. This pouch is designed to hold critical medical items for first responders and tactical officers. To ensure safe and effective use of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose as a medical aid kit.
- Regularly inspect the pouch for any signs of wear, damage, or malfunction before each use.
- Keep the pouch out of reach of children when not in use to prevent accidental access to medical supplies.
- In case of any product malfunction or damage, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- Always ensure that the pouch is securely attached to your duty belt or MOLLE/PALS webbing using the included Malice Clips.
- Be cautious when deploying the pouch; ensure that the Fidlok® releasable strap is functioning properly to prevent accidental release.
- Familiarize yourself with the location and contents of the medical items stored within the pouch for rapid access in emergency situations.
- Avoid overloading the pouch with excessive weight, as this can impact its durability and ease of use.

Instructions for Installation and Usage

1. Installation

- Choose a suitable location on your duty belt or MOLLE/PALS webbing for mounting the pouch.
- Use the included Malice Clips to securely attach the pouch to the desired location.
- Ensure that the pouch is firmly in place and does not move during activity.

2. Usage

- To deploy the pouch, grasp the Fidlok® releasable strap and pull it to unlock.
- Remove the pouch from its mounting platform quickly and efficiently.
- Access the medical supplies inside the pouch as needed.
- After use, reattach the pouch securely to the mounting platform.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations regarding textile and plastic waste.
- If the pouch is damaged or no longer usable, ensure that it is disposed of in a manner that prevents accidental access to any medical supplies.
