TSERIES QUICK DUAL RELEASE BELT LOOP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TSeries Quick Dual Release Belt Loop by BLACKHAWK. This guide contains essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the TSeries Quick Dual Release Belt Loop is compatible with your Blackhawk injection molded holster.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all local laws and regulations regarding the use of holster accessories.

Specific Safety Precautions for Use

- Do not overload the belt loop beyond its designed capacity.
- Ensure that the belt loop is securely attached to your belt before use.
- Avoid using the belt loop in extreme conditions that may compromise its integrity, such as extreme temperatures or exposure to corrosive substances.
- Regularly check for any signs of wear or damage, and replace the product if necessary.

Instructions for Installation and Usage

1. Installation:

- Identify the appropriate location on your belt for attaching the belt loop.
- Slide the belt loop onto your belt, ensuring it is positioned securely.
- Adjust the belt loop to the desired height for comfort and accessibility.

2. Usage:

- Once installed, ensure that the holster is properly secured within the belt loop.
- Test the release mechanism to ensure it operates smoothly before carrying your holster.
- Always ensure the holster is properly seated in the belt loop before use.

Disposal Instructions

- Dispose of the TSeries Quick Dual Release Belt Loop in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options where applicable.
