## Introduction

Thank you for choosing the LACHASSIS GREY BIRCH SOLUTIONS LACHASSIS 10/22 TAKEDOWN. This product is designed to provide a safe and enjoyable shooting experience. This guide outlines important safety information, usage instructions, and disposal guidelines to ensure your safety and the safety of others. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle your firearm and accessories with care and respect.
- Ensure that the firearm is unloaded when installing or adjusting the chassis.
- Store the chassis and firearm in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect the chassis for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- **Use the correct model:** Ensure that the LaChassis is compatible with your firearm model (Ruger 10/22 Takedown).
- **Avoid modifications:** Do not modify the chassis or any of its components, as this may compromise safety.
- **Check for obstructions:** Before firing, ensure that the barrel and action are clear of any obstructions.
- **Secure mounting:** Ensure that the chassis is securely mounted to the barreled action to prevent any movement during use.
- **Proper grip:** Use the AR grip compatible mounting point to ensure a secure and comfortable hold during shooting.
- **Follow manufacturer instructions:** Adhere to the specific installation and usage instructions provided by Grey Birch Solutions.

## Instructions for Installation and Usage

### Installation

1. **Prepare the workspace:** Ensure you are in a clean and welllit area to work.
2. **Unload the firearm:** Make sure your firearm is completely unloaded before starting the installation.
3. **Remove the existing stock:** Follow the manufacturer's instructions to safely detach the existing stock from your firearm.
4. **Attach the LaChassis:**
  - Align the chassis with the barreled action.
  - Securely fasten the chassis to the action using the provided hardware.
5. **Install the forend:** Choose your desired forend option (MLok or ArcaSwiss compatible) and attach it as per the instructions.
6. **Adjust length of pull and cheek height:** Set the length of pull and cheek height to your comfort preference.

## Usage

- **Check functionality:** Before using the LaChassis, ensure all parts are functioning correctly.
- **Load the magazine:** Use the magwell cutout for easy magazine changes.
- **Shoot responsibly:** Always aim in a safe direction and be aware of your target and what is beyond it.
- **Postuse care:** After shooting, clean the chassis and firearm according to the manufacturer's recommendations.

## Disposal Instructions

- When disposing of the LaChassis, follow local regulations regarding the disposal of aluminum and firearm accessories.
- Consider recycling the chassis if possible, as it is made from 6061 T6 aluminum.
- Do not dispose of the chassis in regular household waste.
