[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

**LACHASSIS** The Grey Birch Solutions LaChassis is literally the cornerstone of Grey Birch, the company, the solid ground on which we will build our house. The end goal in building the LaChassis has always been a lightweight, modular, adjustable, and secure base to firmly house the barreled action in place from two locations. The LaChassis is a modular chassis system built around the rimfire platform, with models to fit the Tikka T1x. The LaChassis is packed with features to enhance the shooting experience with configurations ranging from short range race gun to long range precision. Magwell Cutout for Easy Magazine Changes AR Grip Compatible Mounting Point Standard Picatinny Stock Mount (Compatible with all most Picatinny Mounted Stocks) Fixed Stock Modular Forend Options Forend's are M-Lok and Arca-Swiss Compatible Length of Pull and Cheek Height Adjustment NOTE: DOES NOT INCLUDE GRIP

# Safety Instruction Guide for LACHASSIS GREY BIRCH SOLUTIONS CZ457 CHASSIS

## Introduction

Thank you for choosing the LACHASSIS GREY BIRCH SOLUTIONS CZ457 CHASSIS with Folding Stock and Forend. This guide provides essential safety information and instructions for the proper use, installation, and disposal of your product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always handle the chassis with care to avoid injury.
- Ensure that the chassis is installed correctly before use.
- Regularly inspect the chassis for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Use only compatible parts and accessories with the chassis.
- Report any unsafe product experiences to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Modular Design:** Ensure that all modular components are securely attached before use.
- **Weight Limit:** Do not exceed the recommended weight limit for the chassis.
- **Magazine Changes:** Use caution when changing magazines to prevent accidental discharge.
- **Shooting Position:** Always use the chassis in a stable and secure shooting position.
- **Protective Gear:** Wear appropriate eye and ear protection while using the chassis.
- **Environmental Considerations:** Avoid using the chassis in wet or slippery conditions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all necessary components and tools before beginning installation.
- Follow the manufacturer's instructions for attaching the chassis to your barreled action.
- Verify that the chassis is securely mounted and that all screws are tightened.

### 2. Adjustments:

- Adjust the length of pull and cheek height according to your comfort and shooting style.
- Ensure that all adjustments are locked in place before use.

### 3. Usage:

- Familiarize yourself with the chassis features, including the magwell cutout and mounting points.
- Practice safe handling and shooting techniques at all times.
- Regularly check the chassis for any signs of wear or damage before each use.

## Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum components where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or usage of your LACHASSIS GREY BIRCH SOLUTIONS CZ457 CHASSIS, please refer to the manufacturer's website or contact their customer support team. Ensure you have your product information ready for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LACHASSIS GREY BIRCH SOLUTIONS CZ457 CHASSIS. Thank you for your attention to safety.
