

BORE DRIVER FTX 50 CALIBER MUZZLELOADER BULLETS - BORE DRIVER FTX 50 CALIBER (.499") 290GR 20/PACK

[Reloading](#) > [Muzzleloading Components](#) > [Bullets](#)

Fast and easy to load, the Bore Driver™ FTX® delivers the ultimate in muzzleloader performance. At the heart of the system is a polymer base (not a sabot) that seals the bore to deliver maximum energy transfer and accuracy. Atop the base is the FTX® bullet, featuring a rugged gilding metal jacket coupled with patented FlexTip® technology and an InterLock® ring that deliver maximum lethality. When you have one shot this muzzleloader season, make it count and use the best - Hornady® Bore Driver™ FTX®!

Attributes

Safety Instruction Guide for Bore Driver FTX 50 Caliber Muzzleloader Bullets

Introduction

Thank you for choosing the Bore Driver™ FTX® 50 Caliber Muzzleloader Bullets. This guide provides essential safety instructions and guidelines to ensure safe handling and use of this product. Please read this document carefully before using the product to maximize safety and performance.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Inspect the product for any visible damage before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Ensure you are using the correct caliber and type of ammunition for your muzzleloader.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper loading may lead to misfires or malfunctions.
 - Failure to use the correct caliber can result in dangerous situations.
 - Always wear appropriate eye and ear protection when using firearms.
- **Avoiding Hazards:**
 - Ensure that the muzzleloader is pointed in a safe direction at all times.
 - Do not load the muzzleloader until you are ready to shoot.
 - Never attempt to modify the ammunition or the firearm.
 - Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Loading the Muzzleloader:

- Ensure the muzzleloader is pointed in a safe direction.
- Open the action and check that the firearm is unloaded.
- Insert the Bore Driver™ FTX® bullet into the muzzle, ensuring it is seated firmly.
- Close the action of the muzzleloader securely.

2. Firing the Muzzleloader:

- Always ensure you have a clear line of sight to your target.
- Set your firearm to the appropriate firing mode.
- Pull the trigger smoothly to fire.

3. After Firing:

- Open the action and visually check that the firearm is unloaded.
- Clean the firearm according to the manufacturer's instructions to maintain optimal performance.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities or hazardous waste disposal services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Bore Driver™ FTX® 50 Caliber Muzzleloader Bullets, please refer to the manufacturer's contact details provided on the packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Bore Driver™ FTX® 50 Caliber Muzzleloader Bullets. Always prioritize safety and adhere to local laws and regulations while handling ammunition. Thank you for your attention to these important safety practices.
