# Safety Instruction Guide for Butler Creek Element Scope Cap Objective Covers

## Introduction

Thank you for choosing the Butler Creek Element Scope Cap Objective Covers. These caps are designed to protect your scope lenses and enhance your shooting experience. This guide provides important safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always inspect the scope caps before use to ensure they are free from damage.
- Do not use the scope caps if they show signs of wear or damage.
- Keep the scope caps out of reach of children to prevent accidents.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the caps are securely attached to the scope to prevent them from falling off during use.
- Avoid exposing the caps to extreme temperatures or harsh chemicals, as this may degrade the material.
- Do not use the scope caps as a substitute for proper lens cleaning techniques.
- Be cautious when flipping the caps open or closed to avoid pinching fingers or causing injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the scope is clean and free from debris before installing the caps.
- Align the caps with the objective lens and press firmly until they click into place.
- Verify that the caps are securely attached by gently tugging on them.

### 2. Usage:

- To use the flipout dope disk, gently pull the cap open to access the disk.
- Use the printed wind and elevation information as a guide while shooting.
- After use, close the caps securely to protect the lenses from dust and debris.

## Disposal Instructions

- Dispose of the scope caps responsibly.
- Check local regulations for proper disposal methods for plastic products.
- Do not dispose of the caps in regular household waste if your local guidelines specify alternative recycling options.

## Contact Information for Further Support
