Safety Instruction Guide for Butler Creek Element Scope Cap Objective Covers

Introduction

Thank you for choosing the Butler Creek Element Scope Cap Objective Covers. These products are designed to provide protection for your scope lenses while offering functionality and ease of use. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the scope caps before use to ensure they are free from damage.
- Keep the product out of reach of children to prevent accidents.
- Do not use the scope caps for purposes other than intended.
- Ensure that the scope caps are properly fitted to your equipment to avoid any potential hazards.
- Report any unsafe conditions or product defects to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid exposing the scope caps to extreme temperatures or harsh weather conditions, as this may affect their performance.
- Do not force the caps open or closed, as this may damage the multiflex sleeve.
- Use caution when handling the dope disk to prevent injury from sharp edges.
- Regularly check the fit of the caps on your scope to ensure they remain secure during use.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate size cap for your scope (55mm or 60mm).
- Align the cap with the objective lens of the scope.
- Press the cap firmly onto the lens until it fits snugly.

2. Usage:

- To utilize the flipout dope disk, gently pull it from the cap.
- Ensure that the disk is clean and free from obstructions before use.
- Use the information provided on the disk for wind and elevation adjustments while aiming.

3. Maintenance:

- Clean the scope caps with a soft, dry cloth to avoid scratching.
- Store the caps in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic waste.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged or no longer functional, ensure it is disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Butler Creek Element Scope Cap Objective Covers, please refer to the EU-based contact point provided with your product packaging or visit the manufacturer's official website.

By following these safety instructions, you can ensure a safe and effective experience with your Butler Creek Element Scope Cap Objective Covers. Thank you for your attention to safety and proper usage.
