ELEMENT SCOPE CAP OBJECTIVE COVERS Safety Instruction Guide

Introduction

Thank you for choosing the Butler Creek Element Scope Caps. These caps are designed to provide reliable protection for your scope lenses. This safety instruction guide aims to ensure your safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the scope caps are compatible with your specific scope model before use.
- Always inspect the caps for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the scope caps if they are damaged or malfunctioning.
- Avoid exposing the caps to extreme temperatures or harsh chemicals that may degrade the material.
- Ensure the caps are securely fastened during use to prevent accidental detachment.
- Do not attempt to modify or alter the scope caps in any way.
- Handle the caps with care to avoid injury from sharp edges or components.

Instructions for Installation and Usage

1. Installation:

- Remove the scope caps from the packaging.
- Verify that the size (45mm or 50mm) is appropriate for your scope.
- Align the caps with the objective lens and gently press them into place until they are secure.
- Ensure that the multiflex sleeve is properly fitted to allow for smooth operation.

2. Usage:

- To flip open the objective cap, gently pull the lever or tab designed for this purpose.
- Use the printable dope disk for wind and elevation information as needed.
- After use, ensure that the caps are closed properly to protect the lenses from dust and debris.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Butler Creek Element Scope Caps, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these guidelines, you can ensure the safe and effective use of your Butler Creek Element Scope Caps. Thank you for prioritizing safety and compliance.
