

# **BOLT-ACTION 30 CALIBER CARBON FIBER BARRELS - 30 CALIBER 1-10 TWIST 24" CARBON FIBER SENDERO LIGHT BBL**

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

## **Attributes**

- Name: [30 CALIBER 1-10 TWIST 24" CARBON FIBER SENDERO LIGHT BBL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 100046260

# Safety Instruction Guide for BOLTACTION 30 CALIBER CARBON FIBER BARRELS

## Introduction

Thank you for choosing the BOLTACTION 30 CALIBER CARBON FIBER BARREL. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully to understand the necessary precautions and instructions for installation, usage, and disposal.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of your carbon fiber barrel. This product is designed for use in boltaction rifles and should only be handled by individuals familiar with firearm safety.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. Follow the guidelines provided in the event of a recall.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with safety regulations applicable to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Handling:** Always handle the barrel with care. Avoid dropping or mishandling to prevent damage.
- **Installation:** Only have the barrel installed by a qualified gunsmith to ensure proper fitting and function.
- **Usage:** Use only with compatible 30 caliber (.308) rifles. Ensure that your firearm is in good working condition before installation.
- **Maintenance:** Regularly inspect the barrel for signs of wear or damage. If any issues are found, consult a professional gunsmith.
- **Environment:** Avoid exposing the barrel to extreme weather conditions for extended periods. While it is made from durable carbon fiber, excessive exposure can still affect performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and safe before proceeding.
- Consult a qualified gunsmith to perform the installation, ensuring that the barrel is threaded and chambered correctly.
- Verify that the barrel is securely fastened and check for any movement.

### 2. Usage:

- Always follow safe shooting practices. Ensure that you are in a designated shooting area.
- Use appropriate ammunition that is compatible with the 30 caliber (.308) barrel.
- Be aware of your surroundings and ensure that the firing line is clear before shooting.

### 3. PostUsage:

- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.
- Store the firearm in a secure location, ensuring that it is unloaded and locked away from

unauthorized access.

## Disposal Instructions

- When disposing of the barrel, follow local regulations regarding the disposal of firearm components.
- If the barrel is damaged beyond repair, consult local authorities for guidance on safe disposal methods.
- Consider recycling options for carbon fiber materials when possible.

## Contact Information for Further Support

For any questions or concerns regarding your BOLTACTION 30 CALIBER CARBON FIBER BARREL, please refer to the relevant EU contact point provided by the manufacturer. Ensure that you have your product details on hand for any inquiries.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your new carbon fiber barrel.
