

# BOLT-ACTION 30 CALIBER CARBON FIBER BARRELS - 30 CALIBER 1-10 TWIST 26" CARBON FIBER SENDERO LIGHT BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

## Attributes

# BOLTACTION 30 CALIBER CARBON FIBER BARRELS

## Safety Instructions

### Introduction

Thank you for choosing the BOLTACTION 30 CALIBER CARBON FIBER BARREL. This guide provides essential safety instructions to ensure the safe and effective use of your barrel. It is important to read and understand these guidelines to minimize risks associated with handling and using this product.

### General Safety Guidelines

- Always handle firearms and their components with care and respect.
- Ensure that the barrel is installed correctly by a qualified gunsmith.
- Use the barrel only with compatible firearms and ammunition.
- Regularly inspect the barrel for any signs of damage or wear.
- Store the barrel in a secure location, away from children and unauthorized users.
- Be aware of your surroundings when using firearms, and always follow local laws and regulations.
- Report any unsafe products or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- **Installation Precautions:**

- Ensure that the barrel is installed by a qualified gunsmith to prevent improper fitting.
- Do not attempt to modify or alter the barrel in any way.

- **Usage Precautions:**

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of the potential for highvolume fire and its effects on barrel performance.

- **Maintenance Precautions:**

- Clean the barrel regularly according to the manufacturer's recommendations.
- Inspect the barrel for any signs of damage or wear before each use.
- Do not use the barrel if it shows signs of significant wear or damage.

### Instructions for Installation and Usage

1. **Installation:**

- Have the barrel installed by a certified gunsmith.
- Ensure that the gunsmith checks compatibility with your firearm model.

2. **Usage:**

- Load the firearm with the appropriate 30 caliber ammunition.
- Follow standard operating procedures for your firearm when preparing to shoot.
- Monitor the barrel for heat buildup during extended firing sessions.

3. **PostUse Care:**

- Allow the barrel to cool before cleaning.
- Clean the barrel using recommended cleaning supplies to maintain performance.

## **Disposal Instructions**

- Dispose of the barrel responsibly in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the BOLTACTION 30 CALIBER CARBON FIBER BARREL, please refer to the manufacturer's contact details provided with the product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BOLTACTION 30 CALIBER CARBON FIBER BARREL. Thank you for prioritizing safety.
