

# BOLT-ACTION 30 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 30 CALIBER 1-8 TWIST 26" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

# BOLTACTION 30 CALIBER CARBON FIBER BARRELS

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the BOLTACTION 30 CALIBER CARBON FIBER BARREL by PROOF Research. This guide provides essential safety instructions to ensure the safe use and handling of your new barrel. Please read this document carefully before installation and use.

### General Safety Guidelines

- **Product Safety:** This barrel is designed for safe use with boltaction rifles. Ensure you understand the specifications and limitations of your firearm.
- **Enhanced Recalls:** Stay informed about any safety recalls. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU-based contact provided by the retailer.
- **Rapid Alerts:** Be aware of alerts regarding unsafe products and follow any instructions provided.

### Specific Safety Precautions for Use

- **Installation Precautions:**
  - Only allow a qualified gunsmith to install the barrel.
  - Ensure the firearm is unloaded before installation.
- **Usage Precautions:**
  - Always wear appropriate eye and ear protection when firing.
  - Check the barrel and firearm for any signs of damage before use.
  - Do not exceed the manufacturer's recommended load specifications.
- **Maintenance Precautions:**
  - Regularly inspect the barrel for signs of wear or damage.
  - Clean the barrel according to the manufacturer's instructions.
  - Avoid using abrasive materials that could damage the carbon fiber surface.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure you have the necessary tools and equipment.
- Confirm that the firearm is completely unloaded.
- Take the barrel to a qualified gunsmith for threading and chambering.
- Follow the gunsmith's recommendations for proper installation.

#### 2. Usage:

- Familiarize yourself with your firearm's operation and safety features.
- Load ammunition that is compatible with the 30 Caliber specifications.
- Position yourself in a safe shooting area, ensuring a clear line of sight and a safe backdrop.
- Fire the weapon only when you are certain it is safe to do so.
- Maintain control of the firearm at all times.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods for carbon fiber materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the BOLTACTION 30 CALIBER CARBON FIBER BARREL, please refer to the contact information provided by your retailer. It is important to reach out for any safety inquiries or product support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience responsibly!
