APEX 10/EVOLUTION PRESS CALIBER CONVERSION KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the APEX 10/Evolution Press Caliber Conversion Kit. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before proceeding with installation and usage.

General Safety Guidelines

- Ensure that all components are intact and free from damage before use.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when operating the press.
- Keep the workspace clean and organized to prevent accidents.
- Store the conversion kit in a dry, cool place, away from direct sunlight.
- Do not use the conversion kit for any purpose other than its intended use.
- Be aware of your surroundings and ensure no unauthorized individuals are near the operating area.
- Regularly inspect the conversion kit and associated equipment for wear or damage.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from moving parts during operation.
- Risk of burns from hot surfaces.
- Risk of eye injury from ejected materials.

- **Avoiding Hazards:**

- Keep hands and clothing away from moving parts.
- Allow the machine to cool down before touching any hot surfaces.
- Use a proper catch container to collect ejected materials to avoid injury.

- **Age Restrictions:**

- This product is not intended for use by individuals under the age of 18. Ensure that minors are supervised by an adult at all times.

Instructions for Installation and Usage

1. Installation:

- Unpack the conversion kit and verify that all components (Shellplate, Case Feed Ram, Case Feed Adapter) are included.
- Ensure your APEX 10 press is turned off and unplugged before installation.
- Follow the manufacturer's instructions for attaching the Shellplate, Case Feed Ram, and Case Feed Adapter.
- Ensure all components are securely fastened and properly aligned.

2. Usage:

- Before starting the operation, doublecheck that all safety guards are in place.
- Set the press to the appropriate settings for the caliber you are using (9mm Luger, 38 Super, etc.).
- Load cases into the Case Feed Adapter according to the manufacturer's guidelines.
- Operate the press with a steady, controlled motion. Do not force the press.
- Monitor the operation closely for any unusual sounds or issues.

3. PostUsage:

- Turn off and unplug the press after use.
- Clean the press and conversion kit to remove any debris or residue.
- Store the conversion kit in its designated storage area.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the conversion kit or any components are damaged beyond repair, dispose of them as per local waste management guidelines.
- Do not dispose of the product in household waste. Instead, contact your local waste disposal authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product issues, or additional support, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for more details.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the APEX 10/Evolution Press Caliber Conversion Kit. Always prioritize safety and adhere to the regulations in your area. Thank you for your attention to these important safety measures.
