

# EMP POCKET CLIP - STRIKE INDUSTRIES EMP POCKET CLIP FOR LEFT HAND

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Hardware](#)

The Strike Industries EMP Pocket Clip gives you a quick and easy way to carry a spare pistol magazine for when you need it. Offered for either right or left handed shooters, this quench polish quench (QPQ) matte black finish SUS420 stainless steel low-profile clip is made to only work with compatible Strike Industries Extended Magazine Plate's (EMP). This pocket clip attaches directly to the SI EMP to ensure a fast draw with no fuss. Your spare magazine sits where you need it without fishing around in your pocket. With a simple pull, the magazine is in your hand to get you back in the fight. The SI EMP Pocket Clip includes everything you need along with various length set screws (x4) so you can adapt to all Strike EMP currently offered or any EMP we develop in the future. With this new low-budget option, make sure the Strike Industries EMP Pocket Clip is part of your Everyday Carry (EDC) and don't leave home without it. COMPATIBLE SI EMP: CZ: P-10F GLOCK™: G19/G17/G22 Heckler & Koch: VP9 SIG SAUER: P320 NOT COMPATIBLE: With any magwells

# Safety Instructions for Strike Industries EMP Pocket Clip

## Introduction

Thank you for choosing the Strike Industries EMP Pocket Clip. This product is designed to provide a convenient and secure way to carry a spare pistol magazine. Please read this safety instruction guide carefully to ensure safe use and compliance with European Union safety regulations.

## General Safety Guidelines

- Ensure that the EMP Pocket Clip is installed correctly before use.
- Always handle firearms and magazines with care, following proper safety protocols.
- Store the EMP Pocket Clip and magazines out of reach of children and unauthorized users.
- Regularly inspect the EMP Pocket Clip for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the EMP Pocket Clip with compatible Strike Industries Extended Magazine Plates (EMP).
- Ensure that the magazine is securely seated in the clip before carrying it.
- Avoid overloading the pocket clip with excessive weight, which may compromise its integrity.
- Do not use the product if it appears damaged or defective.
- Be mindful of your surroundings when accessing the magazine from the pocket clip to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all components, including the EMP Pocket Clip and set screws (x4).
- Align the pocket clip with the designated mounting area on the Strike Industries EMP.
- Using a suitable tool, secure the pocket clip in place with the provided set screws. Ensure they are tightened properly but do not overtighten to avoid stripping the screws.

### 2. Usage:

- To draw the magazine, simply pull it from the pocket clip with a firm grip.
- Always ensure that you are in a safe environment when handling the magazine.
- After use, return the magazine to the clip or store it safely.

## Disposal Instructions

- Dispose of the EMP Pocket Clip in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond use, consider recycling options for stainless steel materials.

## Contact Information for Further Support

For any safety inquiries or additional support, please reach out to the designated EU contact point provided with your product packaging.

By following these guidelines, you can ensure safe and effective use of the Strike Industries EMP Pocket Clip. Thank you for prioritizing safety in your everyday carry.
