

# S&W N-FRAME 320 GRIPS - VZ GRIPS S&W N-FRAME, 320, ROUND BUTT, BLACK CHERRY

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The Tactical Diamonds are the response to those who like a more aggressive texture than the 320s can provide. Keep in mind these are very grippy due to the fact that the diamond pattern can be cut a lot sharper in the G10.

Available in round butt or square butt for the N-Frame. T-15 Screw Included

TEXTURE: Very Grippy USE: Carry, Tactical, Tournament Shooter MATERIAL: G10

# Safety Instructions for S&W NFRAME 320 GRIPS VZ GRIPS

## Introduction

Thank you for choosing the S&W NFRAME 320 GRIPS by VZ GRIPS. These grips are designed to enhance your shooting experience with a more aggressive texture. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the grips are installed correctly before use.
- Regularly inspect the grips for wear or damage.
- Always handle the firearm safely and responsibly.
- Keep the grips clean and free from debris to maintain optimal grip performance.
- Store the firearm in a secure location away from children and unauthorized users.
- Report any unsafe product incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Grippy Texture:** The Tactical Diamonds feature a sharp diamond pattern that provides an aggressive grip. Be aware that this may cause discomfort if used without gloves for extended periods.
- **Installation:** Ensure the grips are securely attached to the firearm to prevent any accidents during use.
- **Use with Firearms:** These grips are designed for use with Smith & Wesson NFrame firearms only. Do not attempt to use them with other models.
- **Age Restrictions:** These grips are intended for adult users. Ensure that minors are supervised when handling firearms equipped with these grips.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before beginning the installation process.
- Remove the existing grips from the firearm using the T15 screw.
- Align the new VZ grips with the firearm's frame, ensuring that all holes line up correctly.
- Secure the grips in place using the provided T15 screw. Tighten gently to avoid stripping the screw or damaging the grips.

### 2. Usage:

- Always practice safe firearm handling techniques when using your firearm equipped with these grips.
- Regularly check the tightness of the grips, especially after extensive use.
- If you experience any discomfort or loss of grip, consider using gloves or adjusting your grip technique.

## Disposal Instructions

- Dispose of any damaged grips in accordance with local regulations.
- Do not dispose of grips in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For any inquiries or further assistance regarding the S&W NFRAME 320 GRIPS, please reach out to your retailer or manufacturer support. Ensure that you have your product details handy for a more efficient response.

By following these safety instructions, you can enjoy the benefits of your S&W NFRAME 320 GRIPS while ensuring a safe shooting experience. Thank you for your attention to these important guidelines.
