

S&W N-FRAME 320 GRIPS - VZ GRIPS S&W N-FRAME, 320, SQUARE BUTT, BLACK CHERRY

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The Tactical Diamonds are the response to those who like a more aggressive texture than the 320s can provide. Keep in mind these are very grippy due to the fact that the diamond pattern can be cut a lot sharper in the G10. Available in round butt or square butt for the N-Frame. T-15 Screw Included
TEXTURE: Very Grippy USE: Carry, Tactical, Tournament Shooter MATERIAL: G10

Safety Instruction Guide for S&W NFRAME 320 GRIPS VZ GRIPS

Introduction

Thank you for choosing the S&W NFRAME 320 GRIPS by VZ GRIPS. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your grips. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the grips are compatible with your specific model of Smith & Wesson NFrame.
- Always inspect the grips for any damage or defects before use.
- Keep the grips out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use caution when handling firearms equipped with these grips.
- The diamond texture is designed for enhanced grip; however, ensure that your hands are dry to prevent slipping.
- Avoid using excessive force when installing or removing the grips to prevent damage.
- Do not modify the grips in any way that could compromise their integrity or safety.
- Always ensure that the firearm is unloaded before installing or adjusting the grips.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a T15 screwdriver (included).
- Ensure that the firearm is completely unloaded and secure.

2. Installation Steps

- Remove the existing grips from your Smith & Wesson NFrame by unscrewing them with the T15 screwdriver.
- Align the new VZ GRIPS with the mounting holes on the frame of the firearm.
- Secure the new grips by inserting and tightening the screws with the T15 screwdriver. Ensure they are snug but do not overtighten.
- Check that the grips are firmly attached and do not shift when pressure is applied.

3. Usage Tips

- Practice safe handling and storage of your firearm at all times.
- Regularly check the grips for wear and tear, and ensure screws remain tight.
- If you experience any issues with grip performance, discontinue use and consult a professional.

Disposal Instructions

- Dispose of any damaged grips in accordance with local waste management regulations.
- Do not incinerate the grips or any components, as they may release harmful substances.

Contact Information for Further Support

For questions or concerns regarding the S&W NFRAME 320 GRIPS, please reach out to your retailer or the manufacturer for assistance. It is important to have an EUbased contact for safety inquiries, ensuring compliance with the EU General Product Safety Regulation.

Thank you for prioritizing safety and responsible handling of your firearm accessories. Enjoy your enhanced grip experience!
