Safety Instruction Guide for TAURUS SMALL FRAME REVOLVER TWISTER GRIPS

Introduction

Thank you for choosing the VZ Twister grips for your Taurus small frame revolver. This guide is designed to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand the safety precautions, installation instructions, and disposal methods.

General Safety Guidelines

- Ensure that the grips are compatible with your specific model of Taurus revolver. The grips are designed for the following models:
 - 380UI (steel frame only)
 - 605 (steel frame only)
 - 85 (steel frame only)
 - 856
 - CIA650
 - CIA850
 - 905
 - 941 (older .22 revolver model)
 - 94 (older .22 revolver model)
- Always handle firearms with care and follow all safety protocols related to firearm usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the grips for wear or damage. Replace if necessary.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the grips if they are damaged or improperly installed.
- Ensure that the firearm is unloaded before attempting to install or remove the grips.
- Avoid exposure to extreme temperatures or harsh chemicals that could damage the grips.
- Use protective gear when handling firearms, including eye protection.
- Do not modify the grips or the firearm in any way that could compromise safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your Taurus revolver is unloaded and pointed in a safe direction.
- Gather necessary tools, such as a screwdriver, if required for installation.

2. Installation:

- Remove the existing grips from your revolver by unscrewing them gently.
- Align the VZ Twister grips with the frame of the revolver.
- Secure the grips in place using the screws provided. Ensure they are tightened appropriately but do not overtighten to avoid damaging the grips or the firearm.
- Doublecheck that the grips are securely attached before using the revolver.

3. Usage:

- Hold the revolver firmly by the grips while aiming and shooting.

- Regularly check the grips for tightness and any signs of wear during use.

Disposal Instructions

- Dispose of any damaged grips in accordance with local waste management regulations.
- Do not throw grips in regular trash if they are made of materials that can be recycled. Check with local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding your VZ Twister grips, please refer to the EUbased contact point provided with your product or visit the manufacturer's website.

By following these guidelines, you can ensure a safer experience with your VZ Twister grips for your Taurus small frame revolver. Thank you for prioritizing safety and responsible firearm handling.
