Safety Instruction Guide for 4" Sunshade

Swampfox Optics

Introduction

Thank you for choosing the 4" Sunshade for your Swampfox Optics riflescope. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the sunshade to understand how to handle it safely.

General Safety Guidelines

- Ensure that the sunshade is compatible with your Swampfox riflescope model before installation.
- Always inspect the sunshade for any damage before use. Do not use if damaged.
- Keep the sunshade out of reach of children to prevent accidents.
- Avoid exposing the sunshade to extreme temperatures or direct sunlight for prolonged periods.
- Report any unsafe conditions or accidents related to the sunshade to the appropriate authorities.

Specific Safety Precautions for Use

- Use the sunshade only as intended, which is to reduce glare when aiming with your riflescope.
- Do not attempt to modify or alter the sunshade in any way.
- Ensure that the sunshade is securely attached to the riflescope before use.
- Avoid using the sunshade in situations where visibility is critical, such as lowlight conditions.
- If you experience any discomfort or visual issues while using the sunshade, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your riflescope is turned off and safe to handle.
- Locate the threading on the objective bell of your riflescope.
- Align the sunshade with the threading and gently screw it onto the objective bell until it is snug. Do not overtighten.
- Verify that the sunshade is securely attached before using the riflescope.

2. Usage:

- Aim your riflescope as you normally would, utilizing the sunshade to minimize glare from the sun.
- Periodically check that the sunshade remains securely attached during use.
- If the sunshade obstructs your view or interferes with the operation of the riflescope, remove it immediately.

Disposal Instructions

- Dispose of the sunshade responsibly in accordance with local regulations.
- If the sunshade is broken or damaged, place it in a designated waste container to prevent injury.

Contact Information for Further Support

For any safety inquiries or support related to your 4" Sunshade for Swampfox Optics, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines, you can ensure a safe and enjoyable experience with your 4" Sunshade Swampfox Optics. Thank you for your attention to these important safety instructions.
