# Safety Instruction Guide for 4" SUNSHADE SWAMPFOX OPTICS

## Introduction

Thank you for choosing the 4" Sunshade from Swampfox Optics. This product is designed to enhance your shooting experience by preventing glare during use. Please read this safety instruction guide carefully to ensure safe and effective use of the sunshade.

## General Safety Guidelines

- Ensure that the sunshade is compatible with your Swampfox riflescope, specifically models with 44mm or 50mm objective bell diameters.
- Always inspect the sunshade and riflescope for any damage before use. Do not use if damaged.
- Keep the sunshade out of reach of children and vulnerable individuals to avoid accidents.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid using the sunshade in extreme weather conditions, such as heavy rain or strong winds, to prevent accidents.
- Do not force the sunshade onto the riflescope; ensure it fits securely without excessive pressure.
- When adjusting your riflescope with the sunshade attached, ensure that your hands are clear of the lens to avoid injury.
- Always handle the sunshade with care to prevent scratches or damage to the lens.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your riflescope is securely mounted on your firearm.
- Align the sunshade with the objective bell of the riflescope.
- Gently twist the sunshade onto the objective bell until it is snug. Avoid overtightening.

### 2. Usage:

- When using the riflescope with the sunshade, adjust your position to minimize glare from the sun.
- Regularly check the sunshade during use to ensure it remains securely attached.
- If you notice any issues, such as looseness or damage, remove the sunshade immediately and inspect for problems.

## Disposal Instructions

- Dispose of the sunshade responsibly. Do not throw it away in regular household waste.
- Check local regulations for proper disposal methods for plastic and metal components.
- Consider recycling options where available.

## Contact Information for Further Support

For any questions or concerns regarding the 4" Sunshade from Swampfox Optics, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the 4" Sunshade!
