Safety Instruction Guide for 4" Sunshade

Swampfox Optics

Introduction

Thank you for choosing the 4" Sunshade from Swampfox Optics. This product is designed to enhance your shooting experience by reducing glare and improving visibility. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the sunshade is properly attached to the riflescope before use.
- Inspect the sunshade regularly for any signs of damage or wear.
- Keep the sunshade out of reach of children to prevent accidental injury.
- Use the sunshade only for its intended purpose, as described in this guide.
- In case of any malfunction or if the product is suspected to be unsafe, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the sunshade is compatible with your riflescope model. This sunshade fits all Swampfox riflescopes with 44mm or 50mm diameters.
- Avoid using the sunshade in extreme weather conditions that may compromise its integrity.
- Do not attempt to modify or repair the sunshade yourself. Contact a professional for any repairs.
- Be cautious when using the sunshade in lowlight conditions, as it may affect visibility in specific scenarios.

Instructions for Installation and Usage

1. Installation:

- Ensure the riflescope is securely mounted on your firearm.
- Align the sunshade with the objective bell of the riflescope.
- Gently twist the sunshade onto the objective bell until it is firmly in place. Do not overtighten.

2. Usage:

- When shooting in bright sunlight, attach the sunshade to reduce glare.
- If you notice any distortion or obstruction in your sight picture, remove the sunshade and inspect it for damage.
- Store the sunshade in a cool, dry place when not in use to maintain its condition.

Disposal Instructions

- Dispose of the sunshade in accordance with local regulations regarding plastic waste.
- Do not dispose of the sunshade in fire, as it may release harmful substances.
- If the sunshade is damaged beyond repair, consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 4" Sunshade, please refer to the manufacturer's website or contact your local dealer. Always ensure you have the product details on hand for a more efficient

response.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your Swampfox Optics sunshade.
